BACKGROUND

(Enter the who, what when, where, why)

Between June 18, 2025 and July 8, 2025, three meetings were held to discuss improvements to the current School Resource Officer (SRO) contract. Present at the meetings were representatives from the Common Council, School Board, city and school district staff, the Walworth County District Attorney, as well as School District legal counsel.

The meetings were very productive, and the working group came to a consensus quickly on the various topics discussed. The primary topics addressed were SRO coverage, communication with the SRO, interviews of students, and implementing a formal process for reporting concerns with SRO performance. The attached draft contract was uniformly supported by the working group.
