- (e) No person operating a bicycle shall carry any packages, bundle, or article which prevents the operator from keeping at least one hand upon the handlebars at all times.
- (f) Except when preparing to make a left-hand turn with the proper hand signal, every person operating a bicycle upon a road or street shall ride as near to the right side of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction.
- (g) Persons riding bicycles upon a street or roadway shall ride single file at all times.
- (h) No person may operate a bicycle during the hours of darkness unless such bicycle is equipped with or the operator is wearing a lamp emitting a white light visible from a distance of at least five hundred feet to the front of such bicycle. A lamp emitting a red light visible from a distance of five hundred feet to the rear may be used in addition but not in lieu of the red reflector.
- (i) Racing on any street is prohibited.
- (j) No person shall operate a bicycle unless it is equipped with a brake which will enable the operator to make the braked wheels skid on dry, level, clean pavement and with a bell or other device capable of giving a signal audible for a distance of at least one hundred feet, but a bicycle shall not be equipped with nor shall any person use upon a bicycle any siren or whistle.
