BACKGROUND

(Enter the who, what when, where, why)

Stonehaven Development, LLC seeks to rezone multiple parcels on Bluff Road from Highway Commercial to One-Family Residence-Small Lots. The requested amendment would allow for the development of 14 new single-family homes, providing much-needed housing within an established residential corridor. This proposed rezoning aligns with existing land-use of the immediate area. All properties along East Bluff Road are currently zoned Single-Family Residence and are currently developed with low-density housing. This rezone would provide improved compatibility with the nearby area, as compared to potential commercial developments. Overall, this proposed rezoning is consistent with the city's comprehensive plan, supports sustainable growth, and preserves the residential character of the neighborhood.
