RE: Lifetime Manufacturing & Summerset Marine Construction

Hi Mason,

As per your request we are sending this letter of financial recommendation for:

Lifetime Manufacturing and Summerset Marine Construction.

We have had extensive financial transactions with the subject companies and affiliates.

We have approved a construction financing loan of about \$14 million, for the build out of this project.

All of our dealing with the subject companies has been as agreed and we would recommend them as being credit worthy.

If you have any questions, just let me know.

Regards,

Jim Caldwell
