Dear Ms. Whitesell,

We are pleased to inform you that the City of Whittier has selected DOWL as the apparent best-value proposer for the Safe Streets for All (SS4A) Comprehensive Safety Action Plan solicitation. Your proposal demonstrated extensive expertise, a customized approach tailored to our community's needs, and a strong commitment to safer transportation systems. We look forward to working together on this valuable project for Whittier.

This notice of intent to award is contingent upon the successful negotiation and execution of a contract between the City of Whittier and DOWL. Following the acknowledgement and acceptance of this notice of intent to award, the City will send a draft contract to you for review; as well as other required documents needed for the contract.

Congratulations on your selection and thank you for participating in the procurement process.

If you have any questions or concerns regarding the contract, please contact me at (907) 472-2327 ext. 204 or by email at cityclerk@whittieralaska.gov.

Sincerely,
