Jackie,

Council member Wagner asked for details of the Anderson tunnel \$6m capital funding.

Attached is the budget detail worksheet, and below are some additional notes.

Anton Anderson Memorial (Whittier) Tunnel – Maintenance and Operations”, totaling **\$6,864,000** .

Routine maintenance and operational upkeep of the tunnel and its support systems.

- Structural inspections and repairs (e.g., portal reinforcement, waterproofing)
- Mechanical systems (ventilation, lighting, signaling)
- Roadway and railbed maintenance
- Snow removal and verge/trench clearing

These funds are not for major capital modifications or new construction but are aimed at ensuring safe, ongoing operation of the existing Anton Anderson Tunnel infrastructure.
