

Your Voice Matters—Help Shape the Future of Prince William Sound

Take our short community survey and share what matters most—
jobs, housing, transportation, small businesses, and more.

What's Happening

The Prince William Sound Economic Development District is developing its next five-year Comprehensive Economic Development Strategy (CEDS), a roadmap for regional investment, job creation, and community resilience.

Why It Matters

- Guide where funding and resources are focused for the next five years.
- Ensure community voices from across Prince William Sound are heard.
- Build a shared regional vision for a strong, more resilient future.

Take the Prince William Sound Community Survey Today!

Your feedback will guide future investments, job creation, and community priorities across the region
