

HUMAN RESOURCES

MONTHLY REPORT

JANUARY 2025

We have hired a new City Clerk/Public Information Officer. She worked part-time to begin but is now working full-time hours. The Parks department has hired two new seasonal employees as referees.

W2s were distributed in the last week of January and were with the Social Security Administration and State of Missouri.

All employees were given a \$1.45 increase in pay due to the Missouri minimum wage increase by this amount.
