Case No. 24-15

Elizabeth Patterson

335 Woodmere Dr.

Ms. Patterson appeared before the board.

Ms. Tina Brush of 368 Blissfield Dr. appeared before the board to express her objections and concerns regarding the variance requests. One issue is that Ms. Patterson would not maintain the fence. Ms. Patterson said she would leave a 3' gap between fences and a gate to maintain the area. Mr. Koudela stated that fences make good neighbors and wondered why Ms. Brush would not agree to a new 6' high fence that would solve the issues. Attached is a packet of information provided by Ms. Brush.

Ms. Patterson requested the fence because her dogs jump the neighbor's fence, and it is very hard to keep them contained. She has tripped over the dogs 3 times to try and stop them, and this has caused her to have 2 broken ribs twice and a broken nose most recently. The rear neighbors Mr. & Mrs. Brush of 368 Blissfield Dr. do not want to take their fence down. This fence had barbs installed to keep the dogs from jumping over, but those have since been covered by the owners of 368 Blissfield Dr. by the building department due to a complaint against the ordinance.

Motion by Mr. Yarletts, seconded by Mr. Flaisig to grant a variance to allow double fencing on the rear property line in the application of Section 1165.05 of the Codified Ordinances at 335 Woodmere. Vote: Yarletts and Flaisig Nay. Koudela Aye. Clarke Abstain. Motion failed.
