1. These definitions apply to this Agreement:

"Agreement" means this retail buyer's order.

"Buyer" "you" and "your" means the party or parties executing this Agreement as such.

"Manufacturer" means the manufacturer of the Vehicle.

"Seller" "we" and "us" means the Seller named on page 1 of this Agreement.

"Trade-in" is the used vehicle that Buyer intends to use as part of the consideration for the purchase price of the Vehicle or otherwise is to be transferred to Seller.

"Vehicle" is the vehicle or chassis that is the subject of this Agreement.

Seller is not the Manufacturer's agent. Buyer and Seller are the sole parties to this Agreement. References in this Agreement to Manufacturer are for the purpose of describing certain contractual relationships between the Manufacturer and Seller relating to new vehicles.

2. The Manufacturer may change the price of new vehicles without notice. If the Manufacturer changes the price of the new vehicle of the series and body type of the Vehicle before Seller delivers it to Buyer, Seller may change the price of the Vehicle to Buyer as the law allows. If Seller changes the price of the Vehicle, Buyer may cancel this Agreement and Seller shall return the Trade-in to Buyer if the Trade-in remains available. Buyer agrees to pay Seller reasonable repair charges. If Seller has already sold the Trade-in, the Seller will pay the Buyer the proceeds of the sale less any reasonable expenses incurred in connection with preparing or reconditioning the Trade-in for sale and any prior credit balance paid by Seller to a prior lienholder on behalf of Buyer. If the vehicle was a lease turn-in and Seller has already paid the prior lease balance, Buyer will owe Seller the amount paid on Buyer's behalf. If the prior credit or lease balance exceeds the proceeds of sale (less expenses), you will owe Seller the excess amount upon request.

3. The Trade-in shall be appraised or re-appraised at the time it is delivered to Seller. The appraised value will be the allowance for the Trade-in. If the reappraised value is lower than the amount shown in this Agreement, Buyer may cancel this Agreement. Buyer must exercise Buyer's right to cancel upon a change in the appraised value before Seller delivers the Vehicle to Buyer and Buyer surrenders the Trade-in to Seller.

4. Buyer shall give Seller the certificate of title or satisfactory evidence of title to any Trade-in upon delivery to Seller. Buyer warrants any Trade-in to be Buyer's property, free and clear of all liens and encumbrances unless otherwise noted in this Agreement, and that the Trade-in has never had a salvage or "branded" title, been reconstructed, rebuilt, flooded or had major mechanical damage that caused the reconstruction of the Trade-in. Buyer represents that the Trade-in's mileage shown in this Agreement is the actual mileage on the Trade-in and that all emission control equipment on the vehicle has not been tampered with and is operational. Buyer authorizes Seller to rely on this representation in entering into this Agreement. If Buyer provides false information related to the Trade-in Buyer agrees to repurchase the Trade-in for the full allowance given to Buyer plus all costs incurred by Seller in resolving the matter including but not limited to reconditioning costs, legal fees, court and collection costs.

5. Except as permitted under **Sections 2 or 3** above, if Buyer fails or refuses to accept delivery of the Vehicle or comply with this Agreement, without limiting any other rights Seller may have, Seller may reimburse itself for any expenses and losses it incurs or suffers as a result of Buyer's failure or refusal to comply with this Agreement, including, without limitation, reasonable attorney's fees. Seller isn't liable for failure to deliver or delay in delivering the Vehicle where such failure or delay is due, in whole or in part, to any cause beyond Seller's control or without Seller's fault or negligence.

6. The Vehicle price doesn't include sales taxes, use taxes or other taxes (federal, state or local) unless expressly so stated. Buyer agrees to pay, unless prohibited by law, any such taxes imposed on or that apply to the transaction reflected by this Agreement,

regardless of who has primary liability for the tax.

7. If this Agreement shows a charge for credit insurance, this paragraph applies. The credit insurance provisions in any retail installment sale contract Buyer may sign related to this Agreement will apply. If such credit insurance is wholly or partially unavailable under the designated policy, Seller will deduct the applicable part of the credit insurance charge shown in this Agreement and the related finance charge from the total time balance. If such credit insurance does not become effective, Seller will notify Buyer. This Agreement and any related retail installment sale contract Buyer may sign shall otherwise remain fully effective, to the extent provided by applicable law.

8. Buyer agrees to sign such agreements or documents as Seller may reasonably require to effect the transfer of title, the terms and conditions of payment shown in this Agreement and to otherwise carry out the intent of this Agreement.

9. If there is a balance due, and Buyer will obtain financing from a third party, this paragraph applies. Buyer's obligation to buy and Seller's obligation to sell the Vehicle are expressly conditioned upon Buyer obtaining financing for the balance due. Buyer has three business days from the date of this Agreement to obtain such financing. If Buyer fails to obtain financing, this Agreement is canceled and Seller has no obligation to sell Buyer the Vehicle.

10. If Buyer pays Seller with a check that is dishonored or other payment (credit card, debit card, electronic) that is unpaid for any reason, Seller may, in its sole discretion, declare this Agreement null and void and retake the Vehicle and/or make claims against Buyer on the check. In addition, Buyer will pay Seller a returned check charge of \$20 for any check Buyer gives that is dishonored and any costs incurred by Seller to recover the Vehicle.

11. Buyer may arrange financing through Seller or a finance source of Buyer's choosing. Buyer may be able to obtain more favorable financing from a third party. Buyer understands the annual percentage rate (APR) quoted by Seller may be negotiable. If this Agreement shows that any part of the transaction is to be financed, Seller may assist in submitting credit applications to third parties, for which Buyer grants permission. Seller will not lend Buyer money or finance this transaction regardless of any notation to the contrary on any document. No agent, employee or manager of Seller may change this policy.

12. In the event that any of the terms and conditions of this Agreement are inconsistent with the terms and conditions of any retail installment sale contract between Buyer and Seller, the terms of such retail installment sale contract shall apply. Each provision of this Agreement shall be severable. If any part of this Agreement is deemed or found to be unenforceable for any reason, the rest shall remain enforceable.

13. Used Car Buyers Guide. The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.

Spanish Translation: Guía para compradores de vehículos usados. La información que ve en el formulario de la ventanilla para este vehículo forma parte del presente contrato. La información del formulario de la ventanilla deja sin efecto toda disposición en contrario contenida en el contrato de venta.

14. IT IS BUYER'S RESPONSIBILITY TO OBTAIN INSURANCE ON THE VEHICLE. By signing this agreement, except as otherwise provided in Seller's Right to Cancel, Buyer covenants and agrees that Buyer has obtained, or will obtain insurance on the Vehicle, before the Vehicle is driven by anyone.

15. Buyer agrees that Seller may try to contact Buyer in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems for servicing and collection, but not marketing, as the law allows. Buyer also agrees that Seller may try to contact Buyer in those and other ways at any address or telephone number Buyer provides Seller, even if the telephone number is a cell phone number or the contact results in a charge to Buyer.
