Re: TWDB CWSRF No. 73890 Wastewater Effluent Line

Dear Mr. Grimes,

We have reviewed the bids for the above referenced project. There were five bids received and accepted for 4 different base bid schedules. Base bid schedules A through C consisted of furnishing and installing effluent pipe and related appurtenances. Base bid schedule D consisted of furnishing and installing a lift station and necessary appurtenances. The low bid for base bid schedules A through C was submitted by JRM Construction Services, LLC for a total amount of \$908,889.00.

We have found no reason to disqualify JRM Construction Services, LLC and recommend award of base bid schedules A through C to JRM Construction Services, LLC for a total of **\$908,889.00**.

It is recommended that Base Bid Schedule D be awarded as a separate contract to the low bidder for that schedule.

Assuming Council concurs, we will begin preparing executable contract documents. Please feel free to contact me if you have any questions or concerns.

Sincerely,

JACOB | MARTIN
