Mid-Year Report 2026

The Fire Marshal's Office has been conducting annual fire inspections for commercial occupancies, acceptance inspections for new occupancies, plan review, attending development meetings for all future developments, Fire Investigations, public education, and code enforcement.

In February, the department underwent a comprehensive compliance inspection by the Texas Commission on Fire Protection (TCFP). TCFP reported that the agency is meeting all of compliance requirements and had no violations.

Activity

- 132 fire inspections;
- 15 certificate of occupancy inspections;
- 12 fire protection system inspections;
- 16 fire suppression or Hydro inspections;
- 84 Plan reviews;
- 38 Code enforcement cases.

Projects For 2026

The Fire Marshal's office completed several projects this quarter to include:

- The Fire Marshal's office has selected and began the on-boarding process of new inspection and code enforcement software to replace the current software that is no longer supported by ESO.
- Placed Two new Fire Marshal/Code Enforcement vehicles in service.

Training

Employees of the Fire Marshal's office hold multiple advanced certifications across multiple disciplines including Code Enforcement, EMS, Fire, and Law Enforcement. The state requires continuing education hours for each of those certifications. Each employee of the Fire Marshal's office completes around 100 hours of continuing education hours every year to stay current with their certifications. Over the last six months employees have attended conferences, seminars, webinars, and other classes to stay current with required certifications. Some of the courses attended this year are Firefighter Fatality Investigations, National Fire Academy Residential Sprinkler Plan Review, IAAI Basic Electricity, FPANT Fire Alarm 101, and TDLR Basic Code Enforcement

NATIONAL FIRE
ACADEMY

Department Objectives in the upcoming Quarter:

- Continue prioritizing development with quick turnaround times on plan reviews and inspections.
- Remain on track for annual inspections for commercial occupancies .
- Participate in public education of fire prevention.
- Continue to promote excellence by prioritizing training and continuing education.
