Re: Drainage Improvements Phase 1

Dear Mr. Grimes:

We have reviewed the bids for the above referenced project. There were six bids received and accepted for three separate bid schedules. Bid Schedule A was for improvement to the Pleasant Ridge Culvert crossing near El Chico, Bid Schedule B was for improvements for the channel from Sam Bass Road to Squaw Creek Road, and Bid Schedule C was for improvements in the channel along the eastern city limits flowing to El Chico. The low bid for the combination of all base bid schedules was submitted by Humphrey & Morton Construction Company, Inc. for the total bid amount of \$731,035.00.

We've found no reason to disqualify the low bidder and do not believe that rebidding will result in better pricing at this time. We would recommend award of the total bid to Humphrey & Morton Construction Company, Inc. in the amount of **\$731,035.00**.

Assuming Council concurs, we will begin preparing executable contract documents. Please feel free to contact me if you have any questions or concerns.

Sincerely,

JACOB | MARTIN
