(d) Procurement. The Parties agree that construction of the Public Infrastructure shall not require compliance with the Texas procurement laws as set out in the Texas Local Government Code. As of the Effective Date, the construction contracts for the construction of Public Infrastructure have not been awarded and contract prices have not yet been determined. Before entering into any construction contract for the construction of all or any part of the Public Infrastructure, Developer's engineers shall prepare, or cause the preparation of, and the City engineer shall approve, all contract specifications and necessary related documents, including the contract proposal showing the negotiated total contract price and scope of work, for the construction of any portion of the Public Infrastructure that have not been awarded.

Notwithstanding anything to the contrary, if the City provides water service to any other

property owners outside of the Property, the Developer's capacity shall not be effected or reduced as a result of such service without the prior written consent of the Developer. This Section 3.3(c) shall survive termination of the Agreement.

(d) Royal View Drive Improvements. Developer shall construct or cause construction of an electronic emergency access gate at the southeast connection point to Royal View Drive as shown on Exhibit D-3 (the "Royal View Drive Improvements" and collectively with the Crown Road Improvements and the J.D. Towles Drive Improvements, the "Roadway Improvements"). Control of access to the Royal View Drive Improvements will be granted to the City for emergency personnel use only and a Knox Box (rapid access key lock box) shall be installed at the expense of the Developer. SECTION 4 **CHARGES AND FEES**

4.1 Charges and Fees.

(a) Development, Review, Permit, and Inspection Fees. For the first five (5) years following the Effective Date of this Agreement, development of any portion of the Property shall be subject only to payment to the City of the applicable fees according to the City's Development Services Fee Schedule adopted and in effect on the Effective Date, including without limitation fees relating to platting, zoning requests, permitting, and any other charges and fees not expressly exempted or altered by the terms of this Agreement. Beginning in the sixth (6th) year after the Effective Date of this Agreement, development of any portion of the Property shall be subject to payment to the City of the applicable fees according to the then-current City Development Services Fee Schedule, City Code or City Regulations.

(b) Impact Fees. The Parties agree that all Impact Fees charged or assessed against the Property shall be at the rates set forth in the City Regulations and shall be due and by homebuilders or other builders of vertical improvements permitted hereunder in accordance with the requirements of Chapter 395, City Code, and City Regulations. The City acknowledges that it cannot assess roadway Impact Fees on properties within its ETJ, including the ETJ Property, and that regardless of annexation status of all or any portion of the ETJ Property pursuant to this Agreement, the City shall not assess roadway Impact Fees against the ETJ Property. The Developer recognizes that certain portions of the Impact Fees imposed by the City for water represents a payment obligation from the City to the City of Fort Worth.

(c) Parkland Dedication and Park Improvements. The Developer agrees to dedicate approximately 16 acres (but in no event less than 15 acres) of parkland to the City shown as "Future City Park" on the Conceptual Plan attached hereto (the "Park Dedication Land"). The Parties acknowledge that the depiction of the Park Dedication Land on **Exhibit C** attached hereto is conceptual in nature and is subject to final design and engineering. The sizes and locations of

the Park Dedication Land will be determined pursuant to the City's platting or zoning processes and shall not require an amendment to **Exhibit C** attached to this Agreement. In exchange for the dedication of the Park Dedication Land, Developer shall be deemed to have satisfied all applicable parkland dedication requirements or fees required in lieu thereof, as well as any park development fees or park impact fees that may now or hereinafter be enacted by the City, including any related community development fee or similar fee, by whatever name, enacted by the City now or in the future. Within the Park Dedication Land, the Developer shall construct or cause construction of (i) a 10-foot-wide concrete trail looping along the boundary of the Park Dedication Land with an adjacent meandering dirt trail for biking, (ii) a minimum of 10 parking stalls to be constructed along the southwest cul-de-sac adjacent to the Park Dedication Land, and (iii) a permanent restroom facility within a relatively close proximity to the parking stalls (collectively, the "**Park Improvements**"). Upon completion, the Park Improvements will be dedicated to and accepted by the City as part of the Park Dedication Land for public use. The Park Improvements will be privately maintained by the HOA. The City agrees to provide the HOA with all necessary easements for the HOA to maintain the Park Improvements.

SECTION 5

ANNEXATION AND ZONING MATTERS; CONCEPTUAL PLAN

5.1 **Annexation into City.** This Agreement constitutes a request by the Owner for voluntary annexation of the ETJ Property into the corporate limits of the City. The City agrees, in accordance with applicable statutory requirements, to take all steps necessary to complete and approve annexation of the ETJ Property into the corporate limits of the City (the "**Annexation**") within sixty (60) days of the date the Effective Date of this Agreement. The draft municipal services agreement ("Municipal Services Agreement") in form attached as **Exhibit F** is acceptable to Owner, Developer and the City and shall be submitted to the City Council for approval at the same meeting the City Council considers Annexation of the ETJ Property. In the event that the ETJ Property is not annexed within the time required above, the Developer and Owner shall have the right to terminate the Agreement, and upon termination of the Agreement, neither the City, Owner, nor the Developer shall have any liability to one another because of such termination. The Developer acknowledges receipt of the following written disclosure as required by Local Government Code Section 212.172(b-1) and (b-2): **Developer understands that it is not required to enter into this Agreement. The City is annexing the ETJ Property described herein (the "Annexed Property") on a request by Developer and/or the owners of the ETJ Property, as the owner of the Annexed Property, to annex the Annexed Property pursuant to Section 43.0671 of the Local Government Code. The annexation procedures applicable to the annexation are as follows: (a) Developer shall submit a petition to annex the Annexed Property to the City Council; (b) the City Council will negotiate and execute an annexation services agreement in the form of Exhibit F applicable to the Annexed Property; (c) the City Council will call for a public hearing to consider annexation of the Annexed Property, publish notice of the public hearing not more than twenty (20), but not less than ten (10) days before the public hearing in a newspaper of general circulation in the area and public notice on the City's website; (d) the City will send written notice of annexation to the school district in the Annexed Property area, along with other public entities and private entities providing services in the Annexed Property area; and (e) the City will conduct a public hearing on the annexation and adopt an ordinance annexing the Annexed Property. The annexation of the Annexed Property, and the procedures applicable to the annexation, require the Developer's**

consent. The City, by entering into the Municipal Services Agreement in the form of Exhibit E, has waived its immunity to suit, pursuant to Section 212.172 of the Local Government Code.

5.2 Zoning.

(a) Prior to the Effective Date of this Agreement, the Developer has caused the delivery of an application to zone the Property as the Clearion Planned Development District consistent with the Concept Plan attached hereto (the “Zoning Application”). The Zoning Application shall be deemed submitted on the Effective Date of this Agreement. The City shall make every effort to process the Zoning Application concurrently with the Annexation. In the event of a conflict between this Agreement and any zoning ordinance adopted by the City Council relating to the ETJ Property (including without limitation the City’s zoning ordinance under the City Regulations (the “Zoning Ordinance”), this Agreement will prevail. Regardless of how the City zones the ETJ Property, and notwithstanding anything to the contrary in the Zoning Ordinance or other City ordinances, rules or regulations, the ETJ Property shall be governed by and may be used and developed in accordance with the Concept Plan attached hereto, and all other terms of this Agreement at all times during the Term of this Agreement.

(b) Should the City fail to grant approval of the Clearion Planned Development District applicable to the ETJ Property that is any way more restrictive than the Zoning Application or the Concept Plan attached hereto, Developer shall have the right to terminate this Agreement with Notice to the City. Upon termination, the Parties will have no further liability to each other except as follows: Within thirty (30) days following delivery of such termination Notice, the City shall: (i) disannex the ETJ Property from the City and (ii) be deemed to have consented to the formation of a municipal utility district or similar utility or improvement district created by special act of the Texas Legislature, TCEQ, or the Parker County Commissioners Court. The City agrees, at no cost to the City, to consider such further resolutions or ordinances and execute such further documents as may reasonably be requested by Developer, the TCEQ, the Texas Attorney General, or the applicable district to evidence the City’s consents as set forth in this Agreement and in any consent resolution consenting to a district.

5.3 Gas Well Setbacks.

(a) The drilling and production of oil and gas within the Property shall not be permitted on the surface of the Property.

5.4 Conceptual Plan. As consideration for the City’s obligations under this Agreement, the Developer agrees that the development and use of the Property including, without limitation, the construction, installation, maintenance, repair and replacement of all buildings and all other improvements and facilities of any kind whatsoever on and within the Property, shall be in compliance with the Development Standards and in general conformance with the Conceptual Plan as determined by the City. Any amendment to the Conceptual Plan attached hereto that is approved by the City Council pursuant to the City’s platting or zoning processes shall be considered an amendment to this Agreement. Notwithstanding anything to the contrary, the City Manager may administratively approve minor amendments to the Conceptual Plan limited solely to: (a) adjustments to the street network and layout, including the addition or removal of a roadway

as supported by a traffic impact analysis; (b) changes as a result of a finding or determination by a governmental authority; and (c) adjustments to the boundaries and area of any undeveloped areas on the Conceptual Plan by up to a cumulative amount of twenty-five percent (25%) for each land use area. If the City Manager deems an amendment not to be minor in nature in their reasonable discretion, the proposed amendments to the Conceptual Plan shall be processed in accordance with the City Code and/or City Regulations.

SECTION 6

ADDITIONAL OBLIGATIONS AND AGREEMENTS

6.1 Administration of Construction of Public Infrastructure. Subject to the terms of this Agreement, Developer shall be solely responsible for the construction of all Public Infrastructure. The on-site and off-site Public Infrastructure and all other related improvements will be considered a City project, and the City will own all such Public Infrastructure upon completion and acceptance.

6.2 Mandatory Homeowners' Association. Developer will, in a manner acceptable to the City and no later than the date of the sale of the first lot, create the HOA, which shall be mandatory and shall levy and collect from property owners' annual fees in an amount calculated to maintain the certain right-of-way irrigation systems, raised medians and other right-of-way landscaping, and screening walls within the Project. Common areas, including, but not limited to, all landscaped entrances to the Project and right-of-way landscaping and signage, shall be maintained solely by the HOA. Maintenance of public rights-of-way, landscaping, and signage by the HOA shall comply with City Code and/or City Regulations and shall be subject to oversight by the City.

6.3 Conflicts. In the event of any direct conflict between this Agreement and any other ordinance, rule, regulation, standard, policy, order, guideline, or other City adopted or City enforced requirement, whether existing on the Effective Date or thereafter adopted, this Agreement, including its exhibits, as applicable, shall control. In the event of a conflict between the Conceptual Plan and the Development Standards, the Development Standards shall control to the extent of the conflict.

6.4 Compliance with City Regulations and City Code. Development and use of the Property, including, without limitation, the construction, installation, maintenance, repair, and replacement of all buildings and all other improvements and facilities of any kind whatsoever on and within the Property, shall be in compliance with City Regulations and City Code unless expressly stated to the contrary in this Agreement. City Regulations and City Code shall apply to the development and use of the Property unless expressly set forth to the contrary in this Agreement. It is expressly understood and the Parties agree that City Regulations and City Code applicable to the Property and its use and development include but are not limited to City Code provisions, ordinances, design standards, international codes, zoning regulations not affected by this Agreement, and other policies duly adopted by the City.

6.5 Public Infrastructure, Generally. Except as otherwise expressly provided for in this Agreement, Developer shall provide all Public Infrastructure necessary to serve the Project, including streets, utilities, drainage, sidewalks, trails, street lighting, street signage, traffic control

devices or signs, and all other required improvements, at no cost to the City except as expressly provided in this Agreement, and as approved by the City's engineer or his or her agent. Developer shall cause the installation of the Public Infrastructure within all applicable time frames in accordance with the City Regulations and/or City Code unless otherwise established in this Agreement. Developer shall provide engineering studies, plan/profile sheets, and other construction documents, including a Traffic Impact Analysis ("TIA") at the time of platting as required by City Regulations and/or City Code and as required by this Agreement. Such plans shall be approved by the City's engineer or his or her agent prior to approval of a final plat. Construction of any portion of the Public Infrastructure shall not be initiated until a pre-construction conference with a City representative has been held regarding the proposed construction and the City has issued a written notice to proceed. No final plat may be recorded in the Real Property Records until construction of all Public Infrastructure shown thereon shall have been constructed, and thereafter inspected, approved, and accepted by the City. Notwithstanding anything to the contrary, a final plat may be submitted to the City for review and approval prior to completion of construction of any Public Infrastructure if the Developer provides the City with applicable payment bonds and performance bonds acceptable to the City.

6.6 Early Grading Permit. Upon written request from Developer (or its contractor or builder), the City Engineer or Public Works Director shall approve early grading prior to approval of a final plat for all or a portion of the Property provided the following conditions are met: (i) a final plat application has been submitted and accepted but the final plat is not yet approved and/or filed of record; (ii) all erosion control best management practices (as determined by Developer's engineer) are installed prior to starting the grading operation; (iii) Developer or its contractor or builder has obtained a Storm Water Pollution Prevention Plan (SWPPP) permit; and (iv) the following items have been submitted to the City: (a) notification of grading, (b) erosion control plan, (c) a detailed grading and drainage/flood study, and, (d) an "at risk letter" whereby Developer agrees that any early grading work that occurs shall be done at Developer sole and absolute risk.

6.7 Bonds. For each construction contract for any part of the Public Infrastructure, Developer, or Developer's contractor, must execute a performance bond, payment bond and maintenance bond in accordance with applicable City Regulations and/or City Code, which shall name the City and the Developer as a beneficiary: (a) Performance Bond: The Developer shall provide to the City a performance bond in an amount equal to 100 percent of the total contract price (between the Developer and Prime Contractor) guaranteeing the full and faithful execution of the work and for the protection of the City against any improper execution of the work or the use of inferior materials; (b) Payment Bond: A good and sufficient payment bond in an amount equal to 100 percent of the total contract price (between the Developer and Prime Contractor) guaranteeing the payment of all labor, material, and equipment used in the construction of the Public Infrastructure. (c) Maintenance Bond: The Developer shall provide the City a maintenance bond in an amount equal to 100 percent of the total cost of the maintenance improvements that guarantees the costs of any repairs that may become necessary to any part of the construction work performed in connection with the Public Infrastructure, arising from defective workmanship or materials used therein, for a full period of two (2) years from the date of final acceptance by the City of the Public Infrastructure constructed under such contract.

6.8 Inspections, Acceptance of Public Infrastructure, and Developer's Remedy.

(a) Inspections, Generally. The City shall have the right to inspect, at any time, the construction of all Public Infrastructure necessary to support the Project, including without limitation water, wastewater/sanitary sewer, drainage, roads, streets, alleys, public park facilities, electrical, streetlights, and signs. The City's inspections and/or approvals shall not release Developer from its responsibility to construct, or cause the construction of, adequate Public Infrastructure in accordance with approved engineering plans, construction plans, and other approved plans related to development of the Property. Notwithstanding any provision of this Agreement, it shall not be a breach or violation of the Agreement if the City withholds building permits, certificates of occupancy or City utility services as to any portion of the Project until Developer has met its obligations to provide for required Public Infrastructure necessary to serve such portion according to the approved engineering plans and City Regulations and until such Public Infrastructure is operational and has been dedicated to and accepted by the City. Acceptance by the City shall not be unreasonably withheld, conditioned, or delayed.

(b) Acceptance; Ownership. From and after the inspection and acceptance by the City of the Public Infrastructure and any other dedications required under this Agreement, such improvements and dedications shall be owned by the City. Acceptance of Public Infrastructure by the City shall be evidenced in writing issued by the City Manager or his designee.

(c) Approval of Plats/Plans. Approval by the City, the City's engineer, or other City employee or representative, of any plans, designs, or specifications submitted by Developer pursuant to this Agreement or pursuant to applicable City Regulations shall not constitute or be deemed to be a release of the responsibility and liability of Developer, his engineer, employees, officers, or agents for the accuracy and competency of their design and specifications. Further, any such approvals shall not be deemed to be an assumption of such responsibility and liability by the City for any defect in the design and specifications prepared by Developer or Developer's engineer, or engineer's officers, agents, servants or employees, it being the intent of the parties that approval by the City's engineer signifies the City's approval on only the general design concept of the improvements to be constructed. In accordance with Chapter 245, all development related permits issued for the Project, including the Preliminary Plat, shall remain valid for a period of at least two years and shall not thereafter expire so long as progress has been made toward completion of the Project. Upon recordation of the final plat for the Project, if applicable, the Preliminary Plat shall remain valid for the duration of this Agreement as long as progress toward completion of the Project is being made.

6.9 Insurance. Developer or its contractor(s) shall acquire and maintain, during the period of time when any of the Public Infrastructure is under construction (and until the full and final completion of the Public Infrastructure and acceptance thereof by the City): (a) workers compensation insurance in the amount required by law; and (b) commercial general liability insurance including personal injury liability, premises operations liability, and contractual liability, covering, but not limited to, the liability assumed under any indemnification provisions of this Agreement, with limits of liability for bodily injury, death and property damage of not less than \$1,000,000.00. Such insurance shall also cover any and all claims which might arise out of the Public Infrastructure construction contracts, whether by Developer, a contractor, subcontractor, material man, or otherwise. Coverage must be on a "per occurrence" basis. All such insurance

shall: (i) be issued by a carrier which is rated "A-1" or better by A.M. Best's Key Rating Guide and licensed to do business in the State of Texas; and (ii) name the City as an additional insured and contain a waiver of subrogation endorsement in favor of the City. Upon the execution of Public Infrastructure construction contracts, Developer shall provide to the City certificates of insurance evidencing such insurance coverage together with the declaration of such policies, along with the endorsement naming the City as an additional insured. Each such policy shall provide that, at least 30 days prior to the cancellation, non-renewal or modification of the same, the City shall receive written notice of such cancellation, non-renewal or modification. All policies shall be endorsed to waive the right of subrogation against the City.

6.10 INDEMNIFICATION and HOLD HARMLESS. DEVELOPER, INCLUDING ITS RESPECTIVE SUCCESSORS AND ASSIGNS, HEREBY COVENANT AND AGREE TO RELEASE, DEFEND, HOLD HARMLESS, AND INDEMNIFY THE CITY AND ITS OFFICIALS, OFFICERS, AGENTS, REPRESENTATIVES, SERVANTS AND EMPLOYEES (COLLECTIVELY, THE "RELEASED PARTIES"), FROM AND AGAINST ALL THIRD-PARTY CLAIMS, SUITS, JUDGMENTS, DAMAGES, AND DEMANDS AGAINST THE CITY OR ANY OF THE RELEASED PARTIES, WHETHER REAL OR ASSERTED INCLUDING WITHOUT LIMITATION REASONABLE ATTORNEY'S FEES, RELATED EXPENSES, EXPERT WITNESS FEES, CONSULTANT FEES, AND OTHER COSTS (TOGETHER, "CLAIMS"), ARISING OUT OF THE NEGLIGENCE OR OTHER WRONGFUL CONDUCT OF DEVELOPER, INCLUDING THE NEGLIGENCE OF ITS RESPECTIVE EMPLOYEES, CONTRACTORS, SUBCONTRACTORS, MATERIALMEN, AND/OR AGENTS, IN CONNECTION WITH THE DESIGN OR CONSTRUCTION OF ANY PUBLIC INFRASTRUCTURE THAT ARE REQUIRED OR PERMITTED UNDER THIS AGREEMENT; **AND IT IS EXPRESSLY UNDERSTOOD THAT SUCH CLAIMS SHALL, EXCEPT AS MODIFIED BELOW, INCLUDE CLAIMS EVEN IF CAUSED BY THE CITY'S OWN CONCURRENT NEGLIGENCE SUBJECT TO THE TERMS OF THIS SECTION.** DEVELOPER SHALL NOT, HOWEVER, BE REQUIRED TO INDEMNIFY THE CITY AGAINST CLAIMS CAUSED BY THE CITY'S SOLE NEGLIGENCE, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. IF THE CITY INCURS CLAIMS THAT ARE CAUSED BY THE CONCURRENT NEGLIGENCE OF DEVELOPER AND THE CITY, DEVELOPER'S INDEMNITY OBLIGATION WILL BE LIMITED TO A FRACTION OF THE TOTAL CLAIMS EQUIVALENT TO DEVELOPER'S OWN PERCENTAGE OF RESPONSIBILITY. DEVELOPER, INCLUDING ITS RESPECTIVE SUCCESSORS AND ASSIGNS, FURTHER COVENANTS AND AGREES TO RELEASE, DEFEND, HOLD HARMLESS, AND INDEMNIFY, THE CITY AGAINST ANY AND ALL CLAIMS BY ANY PERSON CLAIMING AN OWNERSHIP INTEREST IN THE PROPERTY PRIOR TO THE EFFECTIVE DATE WHO HAS NOT SIGNED THIS AGREEMENT IF SUCH CLAIMS RELATE IN ANY MANNER OR ARISE IN CONNECTION WITH: (1) THE CITY'S RELIANCE UPON DEVELOPER'S REPRESENTATIONS IN THIS AGREEMENT; (2) THIS AGREEMENT OR OWNERSHIP OF THE PROPERTY; OR (3) THE CITY'S APPROVAL OF ANY TYPE OF DEVELOPMENT APPLICATION OR SUBMISSION WITH RESPECT TO THE PROPERTY. DEVELOPER, INCLUDING ITS RESPECTIVE SUCCESSORS AND ASSIGNS, FURTHER COVENANTS AND AGREES TO RELEASE, DEFEND, HOLD HARMLESS, AND INDEMNIFY, THE RELEASED PARTIES AGAINST ANY AND ALL CLAIMS BY ANY PERSON CLAIMING THAT ANY PROVISION OR STATEMENT IN THIS AGREEMENT CONFERS OR POTENTIALLY CONFERS ANY BENEFIT OR THING

OF VALUE TO OWNER THAT IS INVALID, ILLEGAL, UNLAWFUL OR THAT THE CITY IS NOT LEGALLY PERMITTED TO CONFER TO OWNER UNDER THIS AGREEMENT.

6.11 Status of Parties. At no time shall the City have any control over or charge of Developer's design, construction or installation of any of the Public Infrastructure, nor the means, methods, techniques, sequences or procedures utilized for said design, construction or installation. This Agreement does not create a joint enterprise or venture or employment relationship between the City and Developer.

6.12 Vested Rights. This Agreement shall constitute a "permit" (as defined in Chapter 245) that is deemed filed with the City on the Effective Date. Notwithstanding anything in Chapter 245 or this Agreement to the contrary, and unless otherwise agreed by Developer, the City's master thoroughfare plan in effect on the Effective Date shall govern for the duration of the Project.

6.13 Legislative Discretion. The City shall use its best efforts to initiate and approve all necessary documents and ordinances required to effectuate this Agreement. Except as otherwise permitted by law, nothing contained in this Agreement shall be construed as creating a contractual obligation that controls, waives, or supplants the City Council's and/or the Planning and Zoning Commission's legislative discretion.

6.14 Statutory Verifications. The Developer and Owner make the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Agreement. As used in such verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the Developer or Owner (as applicable) within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Agreement, notwithstanding anything in this Agreement to the contrary.

(a) Not a Sanctioned Company. The Developer and Owner each represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each of the Developer and Owner and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The Developer and Owner each hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Developer and Owner each hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. The Developer and Owner each hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

6.15 Form 1295. Submitted herewith is a completed Form 1295 in connection with the Developer’s participation in the execution of this Agreement generated by the Texas Ethics Commission’s (the “TEC”) electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the “Form 1295”). The City hereby confirms receipt of the Form 1295 from the Developer, and the City agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. The Parties understand and agree that, with the exception of information identifying the City and the contract identification number, neither the City nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Developer; and, neither the City nor its consultants have verified such information.

SECTION 7

EVENTS OF DEFAULT; REMEDIES

7.1 Events of Default. No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given in writing (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time to be determined based on the nature of the alleged failure, but in no event more than thirty (30) days (or any longer time period to the extent expressly stated in this Agreement as relates to a specific failure to perform) after written notice of the alleged failure has been given. Notwithstanding the foregoing, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured. Notwithstanding the foregoing, however, a Party shall be in default of its obligation to make any payment required under this Agreement if such payment is not made within twenty (20) business days after it is due.

7.2 Remedies. If a Party is in default, the aggrieved Party may, at its option and without prejudice to any other right or remedy under this Agreement, seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act, specific performance, mandamus, and injunctive relief.

SECTION 8

ASSIGNMENT; ENCUMBRANCE

8.1 Assignment. The obligations, requirements, or covenants to develop the Property subject to this Agreement shall be freely assignable by Developer or a Continuing Party, in whole or in part, without the prior written consent of, but upon written notice to, the City. An assignee shall be considered a “Party” for the purposes of this Agreement. Each assignment shall be in writing executed by Developer, or the Continuing Party, and the assignee and shall obligate the assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. No assignment by Developer, or the Continuing Party, shall release Developer, or the Continuing Party, from any liability that resulted from an act or omission by Developer, or the Continuing Party, that occurred prior to the effective date of the assignment unless the City approves the release in writing. Developer, or the Continuing Party, shall maintain written records of all assignments made by Developer, or the Continuing Party, to assignees, including a copy of each executed assignment and, upon written request from any Party or assignee, shall provide a copy of such records to the requesting person or entity, and this obligation shall survive the assigning Party’s sale, assignment, transfer, or other conveyance of any interest in this Agreement or the Property.

8.2 Assignees as Parties. An assignee authorized in accordance with this Agreement and for which notice of assignment has been provided in accordance herewith shall be considered a “Party” for the purposes of this Agreement. With the exception of: (a) the City, (b) an End User, (c) a purchaser of a Fully Developed and Improved Lot, any person or entity upon becoming an owner of land within the Property or upon obtaining an ownership interest in any part of the Property shall be deemed to be a “Developer” and have all of the rights and obligations of Developer as set forth in this Agreement and all related documents to the extent of said ownership or ownership interest.

8.3 Third Party Beneficiaries. Except as otherwise provided herein and except for an authorized Continuing Party, this Agreement inures to the benefit of, and may only be enforced by, the Parties, including an authorized assignee of Developer. No other person or entity shall have any right, title, or interest under this Agreement or otherwise be deemed to be a third-party beneficiary of this Agreement.

8.4 Notice of Assignment. Subject to Section 8.1 and Section 8.2 of this Agreement, the following requirements shall apply in the event that Developer sells, assigns, transfers, or otherwise conveys the Property or any part thereof and/or any of its rights or benefits under this Agreement: (i) Developer must provide written notice to the City to the extent required under Section 8.1 or Section 8.2 at least 15 business days in advance of any such sale, assignment, transfer, or other conveyance; (ii) said notice must describe the extent to which any rights or benefits under this Agreement will be sold, assigned, transferred, or otherwise conveyed; (iii) said notice must state the name, mailing address, telephone contact information, and, if known, email address, of the person(s) that will acquire any rights or benefits as a result of any such sale, assignment, transfer or other conveyance; and (iv) said notice must be signed by a duly authorized person representing Developer and a duly authorized representative of the person that will acquire any rights or benefits as a result of the sale, assignment, transfer or other conveyance.

SECTION 9

RECORDATION AND ESTOPPEL CERTIFICATES

9.1 Binding Obligations. This Agreement and all amendments thereto and assignments hereof shall be recorded in the Real Property Records. This Agreement binds and constitutes a covenant running with the Property and, upon the Effective Date, is binding upon the Owner, the Developer and the City, and forms a part of any other requirements for development within the Property. This Agreement, when recorded, shall be binding upon the Parties and their successors and assigns as permitted by this Agreement and upon the Property.

9.2 Estoppel Certificates. From time to time, upon written request of Owner, Developer or any future owner, and upon the payment to the City of a \$100.00 fee plus all reasonable costs incurred by the City in providing the certificate described in this section, the City Manager, or his/her designee will, in his/her official capacity and to his/her reasonable knowledge and belief, execute a written estoppel certificate identifying any obligations of an owner under this Agreement that are in default.

SECTION 10

GENERAL PROVISIONS

10.1 Term. Unless otherwise extended by mutual agreement of the Parties, the term of this Agreement shall be thirty (30) years after the Effective Date (the “Original Term”). Upon expiration of the Original Term, the City shall have no obligations under this Agreement with the exception of maintaining and operating the Public Infrastructure dedicated to the City.

10.2 Recitals. The recitals contained in this Agreement: (a) are true and correct as of the Effective Date; (b) form the basis upon which the Parties negotiated and entered into this Agreement; (c) reflect the final intent of the Parties with regard to the subject matter of this Agreement; and (d) are fully incorporated into this Agreement for all purposes. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the intent of the Parties reflected by the recitals, would not have entered into this Agreement.

10.3 Acknowledgments. In negotiating and entering into this Agreement, the Parties respectively acknowledge and understand that:

(a) Developer’s obligations hereunder are primarily for the benefit of the Property;

(b) the improvements to be constructed and the open space dedications and donations of real property that Developer is obligated to set aside and/or dedicate under this Agreement will benefit the Project by positively contributing to the enhanced nature thereof, increasing property values within the Project, and encouraging investment in and the ultimate development of the Project;

(c) Developer's consent and acceptance of this Agreement is not an exaction or a concession demanded by the City, but is an undertaking of Developer's voluntary design to ensure consistency, quality, and adequate public improvements that will benefit the Property;

(d) the Public Infrastructure will benefit the City and promote state and local economic development, stimulate business and commercial activity in the City for the development and diversification of the economy of the state, promote the development and expansion of commerce in the state, and reduce unemployment or underemployment in the state;

(e) nothing contained in this Agreement shall be construed as creating or intended to create a contractual obligation that controls, waives, or supplants the City Council's legislative discretion or functions with respect to any matters not specifically addressed in this Agreement; and

(f) this Agreement is a development agreement under Section 212.172, Texas Local Government Code.

10.4 Notices. Any notice, submittal, payment or instrument required or permitted by this Agreement to be given or delivered to any party shall be deemed to have been received when delivered personally or upon the expiration of 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows:

Any Party may change its address or addresses for delivery of notice by delivering written notice of such change of address to the other Party.

10.5 Interpretation. Each Party has been actively involved in negotiating this Agreement. Accordingly, a rule of construction that any ambiguities are to be resolved against the drafting Party will not apply to interpreting this Agreement. In the event of any dispute over the meaning or application of any provision of this Agreement, the provision will be interpreted fairly and reasonably and neither more strongly for nor against any Party, regardless of which Party originally drafted the provision.

10.6 Time. In this Agreement, time is of the essence and compliance with the times for performance herein is required.

10.7 Authority and Enforceability. The City represents and warrants that this Agreement has been approved by official action by the City Council of the City in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been duly authorized to do so. Developer represents and warrants that this Agreement has been approved by appropriate action of Developer, and that each individual executing this Agreement on behalf of Developer has been duly authorized to do so. Each Party respectively acknowledges and agrees that this Agreement is binding upon such Party and is enforceable against such Party, in accordance with its terms and conditions.

10.8 Limited Waiver of Immunity. The Parties are entering into this Agreement in reliance upon its enforceability. Consequently, the City unconditionally and irrevocably waives all claims of sovereign and governmental immunity which it may have (including, but not limited to, immunity from suit and immunity to liability) to the extent, but only to the extent, that a waiver is necessary to enforce specific performance of this Agreement (including all of the remedies provided under this Agreement) and to give full effect to the intent of the Parties under this Agreement. Notwithstanding the foregoing, the waiver contained herein shall not waive any immunities that the City may have with respect to claims of injury to persons or property, which claims shall be subject to all of their respective immunities and to the provisions of the Texas Tort Claims Act. Further, the waiver of immunity herein is not enforceable by any party not a Party to this Agreement, or any party that may be construed to be a third-party beneficiary to this Agreement.

10.9 Severability. This Agreement shall not be modified or amended except in writing signed by the Parties. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible and upon mutual agreement of the parties, be rewritten to be enforceable and to give effect to the intent of the Parties; and (c) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties.

10.10 Applicable Law; Venue. This Agreement is entered into pursuant to, and is to be construed and enforced in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in Parker County. Exclusive venue for any action related to, arising out of, or brought in connection with this Agreement shall be in the Parker County District Court.

10.11 Non Waiver. Any failure by a Party to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof, and the Party shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this Agreement. No provision of this Agreement may be waived except by writing signed by the Party waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

10.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

10.13 Force Majeure. Each Party shall use good faith, due diligence and reasonable care in the performance of its respective obligations under this Agreement, and time shall be of the essence in such performance; however, in the event a Party is unable, due to force majeure, to perform its obligations under this Agreement, then the obligations affected by the force majeure shall be temporarily suspended. Within ten (10) business days after the occurrence of a force majeure, the Party claiming the right to temporarily suspend its performance, shall give Notice to all the Parties, including a detailed explanation of the force majeure and a description of the action that will be taken to remedy the force majeure and resume full performance at the earliest possible time. The term “force majeure” shall include events or circumstances that are not within the reasonable control of the Party whose performance is suspended and that could not have been avoided by such Party with the good faith exercise of good faith, due diligence and reasonable care, including, without limitation: acts of God, strikes, lockouts, or other industrial disturbances, acts of a public enemy, acts or orders of any kind of the Government of the United States or the State of Texas, or any civil or military authority, insurrection, riots, epidemics, pandemics, quarantine, viral outbreaks, landslides, lightning, earthquake, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accidents to machinery, pipelines or canals, partial or entire failure of water supply, or other acts, events, causes, or circumstances not within the reasonable control of the Party claiming such inability and that could not have been avoided by such Party with the exercise of good faith, due diligence, and reasonable care. A Party that has claimed the right to temporarily suspend its performance shall provide written reports to the other Party at least once every week detailing: (i) the extent to which the force majeure event or circumstance continue to prevent the

Party's performance; (ii) all of the measures being employed to regain the ability to perform; and (iii) the projected date upon which the Party will be able to resume performance.

10.14 Complete Agreement. This Agreement embodies the entire Agreement between the Parties and cannot be varied or terminated except as set forth in this Agreement, or by written agreement of the Parties expressly amending the terms of this Agreement. By entering into this Agreement, any previous agreements or understanding between the Parties relating to the same subject matter are null and void.

10.15 Consideration. This Agreement is executed by the Parties hereto without coercion or duress and for substantial consideration, the sufficiency of which is hereby acknowledged.

1. **Police Protection**

The City of Willow Park, Texas and its Police Department will provide police protection to newly annexed areas at the same or similar level of service now being provided to other areas of the City with like topography, land use and population density as those found within the newly annexed areas. 3. **Maintenance of Water and Wastewater Facilities**

All water and wastewater facilities owned or maintained by the City of Willow Park at the time of the proposed annexation shall continue to be maintained by the City of Willow Park. All water and wastewater facilities which may be acquired subsequent to the annexation of the proposed areas shall be maintained by the City of Willow Park to the extent of its ownership. The now existing water and wastewater mains at existing locations shall be available for the point of use extension based upon the City of Willow Park standard extension policy now existing or as may be amended. On-site sewerage systems may be maintained in accordance with the City’s Code of Ordinances.

The City may negotiate with annexed areas to allow continued services with an existing solid waste management provider. After the second anniversary of the annexation date, the City will impose fees and provide the service.

If areas with private roads and/or gates are arranged so that garbage may be collected without creating a safety hazard, the City, at its discretion, may collect the garbage provided proper indemnification is received from the community association or individual property owners. The City will then impose fees and provide the service. Garbage collection locations shall be subject to the approval of the Director of Public Works. In the event the City does not collect garbage within the areas with private roads and/or gates, residents of these areas will not be billed for service after the two-year date.

5. **Maintenance of Roads and Streets**

Any and all public roads, streets or alleyways, with the exception of the Crown Road Improvements, shall be maintained to the same degree and extent that other public roads, streets, and alleyways are maintained in areas of the City with like topography, land use and density as those found within the newly annexed areas. LEVEL OF SERVICE

Nothing in this plan shall require the City to provide a uniform level of full municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for providing different levels of service.

AMENDMENTS

The plan shall not be amended unless public hearings are held in accordance with Chapter 43 of the Texas Local Government Code.
