AGENDA ITEM

Presentation by representatives from Freese and Nichols regarding the Parker County Water Supply Initiative.

BACKGROUND:

Parker County is currently in the process of establishing a Public Utility Agency (PUA) to help secure reliable water resources for both present and future needs. Freese and Nichols have been retained to assist with the formation of the PUA. Over the past several months, multiple meetings have been held to discuss the requirements, structure, and participation involved in this process.

This presentation is informational only and to allow council to ask questions.

STAFF/BOARD/COMMISSION RECOMMENDATION:

No motion is needed currently. This topic is informational only.

EXHIBITS:
