

Proposal for Bathroom/Pavilion at Kings Gate Park

Per the research we have done on an outdoor bathroom/pavilion at Kings Gate Park, we think the cost should be around \$250,000 to \$300,000. Below are some of the concepts we are considering. We have reached out to the Aledo ISD Architecture II class to come up with an original design (they were not shown any of the pictures below). We will meet with them on April 15, and they will do a presentation of their design.
