The CITY and the DEVELOPER are sometimes referred to herein as the “Parties.”

RECITALS

WHEREAS, the DEVELOPER has requested the CITY to serve a 31.247 acre tract of land situated in the Eliza Oxer Survey, Abstract Number 1031, Parker County, Texas, and being all of Tracts 1-3 as described by deed to Dustin Kyle Haney as recorded in Document Number 202200494, Deed Records, Parker Count, Texas and being more particularly described by metes and bounds as set forth in attached Exhibit “A” (the “Property”) with water and sewer service; and

WHEREAS, the Property will be developed into a commercial development, with the first building being built as a fitness facility; and

WHEREAS, the Property is located in the extraterritorial jurisdiction (“ETJ”) of the City of Aledo (“Aledo”); and

WHEREAS, in furtherance of the development of the Property, the parties have negotiated certain matters regarding the development of the Property as set forth in this Agreement; and

WHEREAS, this Agreement shall operate as a covenant running with the land and shall be binding upon the DEVELOPER and its representatives, officers, agents, servants, employees, successors and assigns.

NOW, THEREFORE, the CITY and the DEVELOPER, in consideration of the mutual covenants and agreements contained herein, do mutually agree as follows:

A. INCORPORATION OF PREMISES

The above and foregoing recitals are true and correct and are incorporated herein and made a part hereof for all purposes.

B. TERM

This Agreement shall be effective as of the date of execution of this Agreement by the last of the Parties to sign the Agreement (the "Effective Date"). This Agreement shall remain in full force and effect from the Effective Date until terminated by the mutual agreement of all of the Parties, termination because of the failure of a condition precedent as provided herein, or until all obligations in the Agreement have been fulfilled (the "Term"). The CITY shall have the right to terminate this Agreement and terminate water and sewer service to the Property (i) for the failure of the DEVELOPER to complete any condition precedent in this Agreement within one (1) year after the Effective Date of this Agreement, by giving DEVELOPER thirty (30) days prior written notice; (ii) for the failure of the DEVELOPER to fail to perform and/or breach any term of this Agreement, by giving DEVELOPER thirty (30) days prior written notice of the breach and DEVELOPER does not cure same within thirty (30) days; and (iii) THE CITY SHALL HAVE NO LIABILITY, AND THE DEVELOPER WAIVES ALL CAUSES OF ACTION, CLAIMS FOR REIMBURSEMENT, AND ALL LEGAL AND/OR EQUITABLE RELIEF IN THE EVENT THAT THE CITY TERMINATES THIS AGREEMENT AND WATER AND SEWER SERVICE AS PROVIDED HEREIN.

C. DEVELOPER OBLIGATIONS

1. Release from Aledo ETJ. The CITY is prohibited from serving the Property with water and sewer service because the Property is located within the ETJ of the City of Aledo. A condition precedent to the CITY'S obligations under this Agreement is Aledo releasing the Property from its ETJ and transferring the Property to the ETJ of the CITY. DEVELOPER shall at its sole cost and expense obtain the release of the Property from Aledo's ETJ and transfer the Property to the ETJ of the CITY.

2. Annexation. A CITY ordinance contained in Section 13.04.005 of the CITY Code of Ordinances provides that before the owner of any land can be served by any sanitary sewer system of the CITY the owner must obtain annexation of the land or

request annexation within ninety (90) days after the date of the request for sewer service. A condition precedent to the CITY'S obligations under this Agreement to provide water and sewer service is DEVELOPER shall upon execution of this Agreement: (i) submit a signed petition for annexation to the CITY pursuant to Section 43.0671 of the Local Government Code requesting that the CITY annex the Property in accordance with Exhibit B attached hereto and incorporated herein (which will not be effective until the Contiguous Annexation, as defined below, is complete; (ii) agree on an annexation services agreement with the CITY pursuant to Section 43.0672(a) of the Local Government Code for the Property, in accordance with Exhibit C attached hereto and incorporated herein (which will not be effective until the Contiguous Annexation, as defined below, is complete; and (iii) complete annexation of the Property no later than one (1) year after the Effective Date of this Agreement. DEVELOPER acknowledges and agrees that annexation of the Property into the City limits of the CITY, is a condition precedent to the validity of this Agreement and that the provision of water and/or sewer service to the Property shall be considered temporary until the Property is annexed. In the event that the Property is not annexed within the time required above, the CITY shall have the right to terminate the Agreement, and upon termination of the Agreement, neither the CITY nor the DEVELOPER shall have any liability to one another because of such termination and/or the CITY'S decision to not serve the Property with water and sewer service. DEVELOPER agrees that it shall not oppose the City's filing with the Public Utility Commission or any other applicable regulatory agency to cease water and/or sewer service to the Property because of the CITY'S decision to terminate this Agreement and/or water and/or sewer service. DEVELOPER further acknowledges and agrees that (i) the Property is not currently contiguous with the city limits of the CITY and annexation of the Property is contingent on the CITY annexing property contiguous with the Property and the CITY limits (the "Contiguous Annexation"); and (ii) the City cannot guarantee or warrant that the CITY will be able to complete the Contiguous Annexation since it is contingent on the owners of that property voluntarily requesting annexation, but the City will use reasonable efforts to complete the Contiguous Annexation. The DEVELOPER acknowledges receipt of the following written disclosure as required by Local Government Code Section 212.172(b-1) and (b-2):

DEVELOPER understands that it is not required to enter into this Agreement. The CITY is annexing the Property described herein (the "Annexed Property") on a request by DEVELOPER and/or the owners of the Property, as the owner of the Annexed Property, to annex the Annexed Property pursuant to Section 43.0671 of the Local Government Code. The annexation procedures applicable to the annexation are as follows: (a) DEVELOPER shall submit a petition to annex the Annexed Property to the City Council; (b) the City Council will negotiate and execute an annexation services agreement applicable to the Annexed Property; (c) the City Council will call for a public hearing to consider annexation of the Annexed Property, publish notice of the public hearing not more than twenty (20), but not less than ten (10) days before the public hearing in a newspaper of

general circulation in the area and public notice on the City's website; (d) the CITY will send written notice of annexation to the school district in the Annexed Property area, along with other public entities and private entities providing services in the Annexed Property area; and (e) the CITY will conduct a public hearing on the annexation and adopt an ordinance annexing the Annexed Property. The annexation of the Annexed Property, and the procedures applicable to the annexation, require the DEVELOPER'S consent. The CITY, by entering into the Annexation Services Agreement, has waived its immunity to suit, pursuant to Section 212.172 of the Local Government Code.

3. Public Improvements. All required public and private infrastructure improvements, including water and sewer infrastructure, shall be provided by the DEVELOPER, at no cost to the CITY, in accordance with the Subdivision Ordinance and other Regulations of the CITY, and as approved by the City Engineer or his agent. Public Improvements shall mean the following public improvements that must be designed, constructed and/or paid for by the DEVELOPER, including, streets, sidewalks, street signage, street lighting and utilities, including water, sanitary sewer, drainage and electricity infrastructure. Without limiting the foregoing, DEVELOPER shall provide the following utilities:

A. WATER

All required on-site and off-site water mains, valves, fire hydrants and other improvements shall be constructed by the DEVELOPER in accordance with the plans and specifications prepared by the DEVELOPER's engineer, in accordance with all City requirements and regulations. The CITY will inspect all aspects of the project and take the final samples of water quality prior to being put into service.

B. DRAINAGE

The DEVELOPER agrees to construct the necessary drainage facilities within the Property. These facilities shall be

C. SEWER

All required on-site and off-site sanitary sewer mains, manholes and other sanitary sewer improvements shall be constructed by the DEVELOPER in accordance with the plans and specifications prepared by the DEVELOPER's engineer and approved by the CITY, and in accordance with the Subdivision Ordinance, the Public Improvement Specifications, and all applicable codes, standards, and regulations. DEVELOPER's obligations shall include extending the sanitary sewer mains from the Property to the CITY's existing water main. DEVELOPER shall also be responsible for tap fees to access the sewer main and for extending the service lines from the main to the buildings built on the Property.

The DEVELOPER shall assume all responsibility for the adequacy and accuracy of the design, plans and specifications. Engineering studies, plan/profile sheets, and other construction documents (hereinafter referred to as the "Construction Plans") prepared by the licensed engineer shall be provided by the DEVELOPER at the time of platting as required by the Subdivision Ordinance. In accordance with the Subdivision Ordinance of the CITY, construction of all public improvements shall be subject to routine review by the City Engineer or his agent to evaluate conformance with the construction plans, project specifications and CITY standards. However, such review and evaluation shall not relieve the DEVELOPER, his engineer and/or agent of responsibility for the design, construction and maintenance of the improvements as set out in this Agreement and relevant ordinances of the CITY.

Upon completion of construction of public improvements as required by this Agreement and the Subdivision Ordinance, the DEVELOPER shall deliver to the CITY As-Built construction plans for the public improvements constructed or engineered by the DEVELOPER.

No building permits will be issued for the Property until all public improvements have

been installed and inspected and a Final Letter of Acceptance has been issued by the CITY.

The CITY will not issue a Final Letter of Acceptance until the Property's public improvements are completely constructed (Final Completion) to the satisfaction of the City Engineer or his agent. However, upon Substantial Completion, a "punch list" of outstanding items shall be presented to the DEVELOPER'S contractor(s) indicating those outstanding items and their deficiencies that need to be addressed for Final Completion of the Addition.

The DEVELOPER agrees to deliver to the CITY clear and unencumbered title to all public improvements. Upon issuance of a Final Letter of Acceptance, title to all public improvements mentioned herein shall be vested in the CITY and the DEVELOPER hereby relinquishes any right, title or interest in and to such improvements or any part thereof. It is understood and agreed that the CITY shall have no liability or responsibility in connection with such public improvements until the Final Letter of Acceptance is issued and the performance bond and maintenance bond as provided herein have expired.

DEVELOPER, at its sole cost and expense, will construct and extend the water and sewer infrastructure, including all private and public infrastructure necessary to connect the Property to the CITY's water and sewer system. The DEVELOPER shall construct the public infrastructure in accordance with all CITY requirements and regulations, and such public infrastructure design and construction shall be approved by the CITY'S engineer prior to beginning construction.

A. PERFORMANCE BOND

A good and sufficient Performance Bond in an amount equal to one hundred percent (100%) of the total contract price of the contract between the DEVELOPER and the Prime Contractor for the construction of public improvements, guaranteeing the full and faithful execution of the work and performance of this contract and for the protection of the CITY against any improper workmanship and/or materials for a period of one (1) year from the date of issuance of a Final Letter of Acceptance by the CITY.

Each of the above bonds shall be in a form acceptable to the CITY. Any surety company through which a bond is written shall be duly authorized to do business in the State of Texas, provided that the CITY shall retain the right to reject any surety company for any work under this Agreement regardless of such company's authorization to do business in the State of Texas. Approval by the City shall not be unreasonably withheld or delayed.
