This contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for a joint **NOVEMBER 3, 2026**, election to be administered by Jenise "Crickett" Miller, Parker County Elections Administrator, hereinafter referred to as "Elections Administrator."

RECITALS

Each participating authority listed above plans to hold a special or general election **NOVEMBER 3, 2026**.

The county owns an electronic voting system, the HART InterCivic Verity DUO Voting System (Version 2.7), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions desire to use the County's electronic voting system and compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

NOW THEREFORE, in consideration of the mutual, agreements, and benefits to the parties, IT IS AGREED as follows:

I: ADMINISTRATION

The parties agree to hold a "Joint election" with Parker County and each other in accordance with chapter 271 of the Texas Election Code and this agreement. The Parker County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the joint Election as provided in this agreement. Each participating authority agrees to pay the Parker County Elections Administrator for equipment, supplies, services, and administrative costs as provided in this agreement. The Parker County Elections Administrator shall serve as the administrator for the Joint Election; however, each participating authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each participating authority as necessary.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this contract.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those polling locations where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling locations where jurisdictions do not overlap.

II: LEGAL DOCUMENTS

Each participating authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, and other pertinent documents required by the Texas Election Code and/or the participating authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting system testing notices and election notice's that are required by the Texas Election Code.

Preparation of the necessary materials for the notices and the official ballot shall be the responsibility of each participating authority, including translation to Spanish. Each participating authority shall provide a copy of their respective election orders and notices to Parker County Elections Administrator.

III: POLLING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day polling locations. Polling locations will be, whenever possible, the usual polling location for each election precinct in elections conducted by the county, and shall be compliant with the accessibility requirements established by Texas Election Code Section 43.034 and the Americans with Disabilities act (ADA). The proposed EARLY VOTING polling locations are listed in Exhibit A of this Agreement. In the event that a polling location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location with the approval of the affected participating authorities. The Elections Administrator shall notify the participating authorities of any changes from the polling locations listed in Exhibit A.

If polling locations for the **NOVEMBER 3, 2026** joint election are different from the polling locations used by a participating authority in its most recent election, the Elections Administrator agrees to post a notice no later than **OCTOBER 30, 2026** at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivisions' polling location name and address in affect for the **NOVEMBER 3, 2026**. This notice shall be written in both English and Spanish languages.

IV: ELECTION JUDGES, CLERKS, AND OTHER PERSONNEL

Parker County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of the election officials if necessary.

Upon request by the Elections Administrator, each participating authority agrees to assist in recruiting polling location officials who are bilingual (fluent in both English and Spanish). In compliance with the Federal Voting Rights Act of 1965, as amended, each polling location containing more than 5% Hispanic populations as determined by the 2020 Census shall have one or more election officials who are fluent in both English and Spanish languages. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling location. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the participating authority or authorities served by the polling location shall be responsible for recruiting a bilingual worker for translation services at that polling location.

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to ensure that all judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying them of his/her appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Parker County pursuant to Texas Election Code Section 32.091. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to the Election Day and for returning the supplies and equipment to the central counting station after the polls close.

Election judges and clerks who attend voting equipment training and /or procedures training shall be compensated at the same hourly rate that they are to be paid on Election Day.

The Election Administrator may employ other personnel necessary for the proper administration of the election, including such part time help as is necessary to prepare for the election to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part Time personnel working as members of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Parker County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

V: PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, official ballots, sample ballots, voter registration lists, and all forms, signs, maps, and other materials used by the election judge at the polling locations. The Elections Administrator shall ensure availability of tables, and chairs at each polling place and shall procure rented tables and chairs for those polling locations that do not have tables or chairs.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling locations where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, instructions, and other information needed to enable the election judges in the polling locations that have more than one ballot style to conduct proper elections.

Each participating authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate name and/or propositions are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

The Elections Administrator shall be responsible for the preparation, testing and delivery of the voting equipment for the election as required by Texas Election Code.

The participating authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by Parker County pursuant to Section 83.052 of the Texas Election Code. Deputy early voting clerks who are permanent employees of the Parker County Elections Administrator or any participating authority shall serve in that capacity without additional compensation.
