**Provide a project description**

The Wilsonville Summer Concert Series will take place the last two Thursdays in July and the first two Thursday's in August. We work with a professional booking agency to curate a series of concerts that will appeal to a diverse interests. This year we will once again present Johnny Limbo and the Lugnuts who are perennial crowd pleasers. We will also have Taken by the Sky, a Fleetwood Mac tribute band as well as The Hit Machine, a popular group that has performed for us in the past. This year we are also adding Conjunto Alegre who offers pop music with a Latin flare. Each band will play a 2 hour headline act with intermission. Before each headline act, a local opening artist will perform for 45 minutes, resulting in a total event window of 3 hours each evening. Vendors will be located around Town Center Park to provide food, water, and information. Our volunteers will attend to the restrooms and trash receptacles.

**How will your project promote arts, culture, history, or heritage in Wilsonville**

The concerts continue to be the largest such offering in Wilsonville each year. We work to offer new groups and music styles each year. We endeavor to offer local artists for the opening acts.

**How will your project benefit the Wilsonville Community?**

The concerts provide residents and visitors an opportunity to gather as a community for a fun evening listening to great artists, enjoying a picnic, dancing, and watching their children play in the water features. The concerts draw people from all socio-economic circumstances. We believe many of those attending, often with their children, would not otherwise be able to attend a live concert. Our opening acts provide an opportunity for local artists to perform. The concerts continue to enhance Wilsonville's image as a family friendly community.

**What are your organization's goals for this project? (Use measurable data if possible.) How will you know that you succeeded in your goals?**

Our goal is to entertain between 4,000 and 5,000 concert goers at the four concerts and attract visitors from other communities. We believe the concerts equally serve each of the groups listed in this question. We believe many attendees, particularly families, could not otherwise afford to attend such a concert. Additionally, we will be raising money to eradicate polio by passing buckets for donations during the intermissions. Our goal is to raise \$10,000 in 2023.

**If this is an annual event for which you have received Community Cultural Events and Programs Grant funding in the past, what new or expanded attractions or partners have been added? (Please note: annual events must add attractions or partners in order to be eligible for grant funding.)**

As in prior years we always add new bands to the concert series in order to keep the music fresh and to make sure that past concert goers return and new ones attend. Two of the four acts performing in 2020 are new to the series. We also have increased our advertising budget to reach a broader audience and attract more visitors. Additionally, we are constantly looking for new vendors that will add new food choices or new services.

We are also open to exploring with other organizations on how we might add attractions at the concerts, particularly visual arts.

**How are you/your organization suited to produce this project/program? Provide the community resources that will be used if applicable (volunteers, local vendors, local contributions, etc.)**

The Wilsonville Summer Concert Series has been going since 2002. This is our 21st year. We will have some 40 to 50 volunteers working to make the events successful and enjoyable. We are currently in the process of obtaining business sponsors for this and our Heart of Gold annual fundraiser on April 06. We expect to have some 12 to 15 local sponsors again this year. These sponsorships, along with the other funds raised at the fundraiser, will provide our portion of the cost of the concerts and also fund a wide variety of projects in our community.
