

**City of Wilsonville**  
**Graffiti Removal Volunteer**  
**Opportunities**

## **Program Background**

As part of its 2025-27 Council Goals, the City Council adopted Goal 2: Public Safety. The first outcome identified in Goal 2 is to “streamline response to code enforcement challenges.” To achieve this outcome, Strategies 2.4 calls for the City to “investigate developing a graffiti enforcement/reward program”

For graffiti on City property, Wilsonville’s Public Works Department has a timely standard operating procedure operated by both Public Works and Parks Departments. The City is responsible for removing graffiti from City-owned assets in the public right-of-way and notifying utility operators of vandalism to their assets.

The implementation of graffiti removal volunteer opportunities is meant to utilize Wilsonville’s volunteer base and system in order to provide abatement services to private property owners.

## **Volunteer Operations**

Graffiti removal volunteer programs can be done alone or as a group. Wilsonville [insert department] manages the City’s graffiti removal volunteer program and will provide the necessary tools.

In practice, volunteer efforts will be prioritized to respond to qualified locations or qualified graffiti content including:

- Small businesses
- Non-profit organizations
- Any location that has been vandalized with hate or obscene speech
