Except as further limited by WC 10.700 through 10.780, No person shall store or permit to be stored on a street or other public property, without permission of the Council, a motor vehicle, boat, trailer, camper, mobile home, travel trailer, or other personal property, including portable storage containers, for a period in excess of 72 hours, without moving at least three vehicle lengths away.

5.205. Method of Parking.

- (1) No vehicle shall be parked upon any street in a manner other than parallel to the roadway and facing in the direction of travel of the nearest travel lane unless specifically designated by signs or markings which are authorized by the City Manager or designee.

- (3) The operator who first begins maneuvering a motor vehicle into a vacant parking space on a street shall have priority to park in that space, and no other vehicle operator shall attempt to interfere.
- (4) Whenever the operator of a vehicle discovers the vehicle is parked close to a building to which the fire department has been summoned, the operator shall immediately remove the vehicle from the area, unless otherwise directed by police or fire officers.

 - (11) No vehicle shall be parked or operated on a highway when the vehicle registration as indicated by registration stickers or registration card has been expired for 90 days or more, the vehicle is required to be registered when operated on a street, and the vehicle is parked or being operated on a City street.
