Motion: Moved to approve the following order of the agenda.

Motion made by Council President Akervall, Seconded by Councilor West.

Voting Yea:

Mayor Fitzgerald, Council President Akervall, Councilor Lehan, Councilor West, Councilor Linville

Vote: Motion carried 5-0.

MAYOR'S BUSINESS**4. Upcoming Meetings**

The Mayor announced the next City Council meeting was scheduled for Monday, October 17, 2022 at 7:00 p.m.

Next, the Mayor reported on the following events that occurred since the Council last met:

Legislative Concepts

- The Mayor recalled at the last City Council meeting, Council unanimously adopted a set of legislative concepts for the 2023 session of the Oregon legislature. These legislative concepts included:
 - Coordinated intergovernmental planning for the Aurora State Airport
 - Aligning SMART's territory with the city limits
 - ODOT study of extending WES commuter train to Salem, and
 - Reauthorizing the Oregon Regionally Significant Industrial Sites (RSIS) Program
- City staff forwarded the legislative concepts to the Office of Representative Courtney Neron of House District 26, whom advanced them to Legislative Counsel for bill drafting.
- If enacted, these legislative concepts would fulfill City Council Goals.

Bulky Waste Day

- The City held the Fall Bulky Waste Day collection-event with Republic Services.
- This event provided an opportunity to dispose of and recycle appliances, old furniture, mattresses, and other large items.
- 280 vehicles brought 30 tons of material for disposal.
- The next Bulky Waste Day was planned for spring.

Tualatin Valley Fire and Rescue (TVFR) Charbonneau Fire Station Open House

- The Mayor and a number of Council members attended Tualatin Valley Fire and Rescue's open house event for the new Charbonneau Fire Station.
- The station opened in September of 2021, COVID protocols delayed the grand opening until now.
- Since the vast majority of emergency service calls from the Charbonneau District is for medical emergencies, TVFR sited a small fire station for Charbonneau with two fire-fighter/medics who are on duty around-the-clock 24/7.

- I understand that in the station's first year of operations, TVFR responded to over 500 calls, and transported over 1,000 patients to area hospitals.
- The new facility will provide TVFR faster response times to medical emergencies and allow it to more easily assist Charbonneau in case of a natural disaster.

Greater Portland Inc (GPI) Economic-Development Summit

- The Mayor attended Greater Portland Inc.'s recent economic development conference along with the City's Economic Development Manager.
- The City of Wilsonville was recognized at the event as a Heritage Investor, having supported GPI's regional economic development work for over 10 years.

COMMUNICATIONS

5. PGE Green Power Energy Report for Wilsonville

Lisa DiMartino of Portland General Electric (PGE) presented the Green Power Energy Report. The presentation detailed how voluntary participation in PGE's "Green Future" program by the City of Wilsonville and greater community supports regional renewable energy initiatives and continues to lower Wilsonville's carbon footprint. The PowerPoint has been made part of the record.

After the presentation, Council requested that PGE submit a summary report regarding safety precautions taken to protect birds, especially eagles and raptors.

6. Boones Ferry Primary (BFP) Stormwater CEP Project Update

Kerry Rappold, Natural Resources Manager introduced the team that collaborated with Boones Ferry Primary students on the BFP Stormwater Community Enhancement Program (CEP) Project. This project, which was funded by the Wilsonville-Metro Community Enhancement Program, provided students a real world learning experience of science-based applications of storm water management.

Along with the PowerPoint, the audience was shown a time elapsed video of the project.

7. Boeckman Creek Primary Watershed CEP Update

Kerry Rappold, Natural Resources Manager next introduced the team that collaborated on the Boeckman Creek Primary Watershed Community Enhancement Program (CEP) Project. Assisting with the presentation was Wilsonville High School student Maria (Masha) Mironova. The Wilsonville-Metro Community Enhancement Program funded this project, which provided real world learning experience of for the elementary and high school students who took part in the project.

Following the PowerPoint the watershed model created by the Wilsonville High School National Art Honor Society was revealed.

Council and participants then posed for photos and further discussed both Community Enhancement Program funded projects.

CITIZEN INPUT AND COMMUNITY ANNOUNCEMENTS

This is an opportunity for visitors to address the City Council on items not on the agenda. It is also the time to address items that are on the agenda but not scheduled for a public hearing. Staff and the City Council will make every effort to respond to questions raised during citizen input before tonight's meeting ends or as quickly as possible thereafter. Please limit your comments to three minutes.

There was none.
