**ISSUE BEFORE COUNCIL:**

City Administration seeks adoption by the City Council of a set of 2025 State Legislative Session Priorities, which would complement a more general prospective 2025-26 State Legislative Agenda, for specific public-policy priorities that advance key City objectives and guide how the City reacts to legislative proposals that may arise during the regular 2025 session of the 83<sup>rd</sup> Oregon Legislative Assembly.

**EXECUTIVE SUMMARY:**

Starting in 2023 the City Council adopted a set of specific State Legislative Session Priorities that register specific issues of concern, as well as reflect ad-hoc issues of the day for which long-term City policies may not address adequately but for which the City Council considers important.

**The City's draft set of 2024 State Legislative Session Priorities reflect current topical issues and various issues that have been raised over the past few years.** Some of the priorities below with an asterisk (\*) are a repeat of 2024 legislative session priorities advanced by the City last year:

- 1.\* Increase Road and Public Transit Resources with a 2025 Transportation Funding Package that advances the I-5 Boone Bridge & Seismic Improvement Project with the French Prairie Bike/Ped Facility, and Implements WES Commuter Rail Wilsonville-to-Salem Extension Study
2. SMART Transit-Service Territory Alignment with City of Wilsonville Boundaries; Adjustment of TriMet District Territory
- 3.\* Restore Permanent Recreational Immunity for Public Use of Trails
- 4.\* Create a \$2 Billion State Residential Housing Infrastructure Fund:
  - Potential legislative grant requests for City infrastructure projects that support housing development
- 5.\* Fund the Business Oregon Regionally Significant Industrial Sites (RSIS) Program
- 6.\* Extend the Sunset on Vertical Housing Development Zone (VHDZ) Incentive
- 7.\* Improve Childcare Resources to Benefit Families/Workers and Employers
8. Modify Homeless Camping Laws and Increase Support for Affordable Housing and Rising Utility Costs

Attachment 1, draft 2025 State Legislative Session Priorities, provides more details on the above-listed priorities. Most of the City's 2024 "short" session legislative priorities were either not dealt with or only partially addressed, and therefore are still ripe for the 2025 regular session.

Representative Courtney Neron and Senator Aaron Woods of Wilsonville have requested receiving during September the City's 2025 legislative session priorities and potential earmark grant requests. Adoption of the 2025 Legislative Session Priorities on Sept. 16 allows City to timely communicate priorities to our legislators who may then introduce bills on our behalf.

### **Background Information**

At the start of each two-year-long session of the Oregon legislature, the City Council adopts a State Legislative Agenda that guides how City staff and consultants evaluate proposed legislation in terms of opposing, supporting or remaining neutral. The City's State Legislative Agenda is grounded in long-term City Council-adopted policies embodied in the Comprehensive Plan and other master plans or specific strategy documents and highlights current Council goals and known issues under consideration.

Over the past three legislative sessions, however, unique opportunities have arisen for the City for which the City did not have specific legislative policy guidance. Subjects or issues that City master plans, Comprehensive Plan or strategic plans do not address that the City Council has expressed interest in or support for or opposition to. Additionally, new issues arise that require the City to advance specific legislative priorities in a timely manner at the legislature. Thus, starting in 2023 the City Council began to adopt a more timely, current and specific set of Legislative Session Priorities.

The City first developed a written State Legislative Agenda in 2011 with citations to specific sources of City authority for each agenda item. All of the legislative agenda items are based on policies established by the City Council over time through the Comprehensive Plan, Goal 9 Economic Opportunities Analysis and other City master plans/strategies and Council direction. Thus, the City's State Legislative Agenda is grounded in long-term City Council-adopted policies that embrace core community values as expressed by the community's elected officials.

In developing the City's legislative agenda and priorities list, staff review existing and prior city policies and practices, examine the legislative agendas and priorities of other metro-area jurisdictions and affiliated organizations such as League of Oregon Cities (LOC), and gather information from lobbyists and other public-affairs professionals about primary issues of concern in the 2025 legislative session.

### **City's State Legislators**

After the 2020 Decennial Census, the Oregon legislature redrew House and Senate district boundaries based on population changes. All areas of the City of Wilsonville community are now in one House District and Senate District, whereas for the prior 10 years Charbonneau was segmented into a separate set of districts.

- **House District 26: Representative Courtney Neron of Wilsonville** (Democrat), currently serves on the following committees:
  - House Interim Committee On Education - Chair
  - Joint Task Force On Statewide Educator Salary Schedules - Co-Chair
  - House Interim Committee On Early Childhood and Human Services
  - House Interim Committee On Gambling Regulation
  
- **Senate District 13: Senator Aaron Woods of Wilsonville** (Democrat), former City Planning Commissioner, currently serves on the following committees:
  - Joint Committee On Information Management and Technology - Co-Chair
  - Joint Interim Committee On Ways and Means Subcommittee On Transportation and Economic Development - Co-Chair
  - Senate Committee On Conduct
  - Senate Interim Committee On Veterans, Emergency Management, Federal and World Affairs
  - Joint Committee On Conduct
  - Joint Committee On Transportation

Each of Wilsonville's legislators may be appointed to different committees when the 2025 legislative session commences. Both of Wilsonville's legislators have indicated in the past support for public-policy positions that the City has endorsed.

### **TIMELINE:**

The 160-day-long 2025 regular legislative session convenes on January 21, 2025, and is scheduled to conclude by June 30, 2025.

### **CURRENT YEAR BUDGET IMPACTS:**

No budget impacts are anticipated based solely on adoption of the 2025 State Legislative Session Priorities. Other legislative-related expenses are currently budgeted.

Actions that the legislature takes can impact the City's budget directly or indirectly in a favorable or detrimental manner.

**CITY MANAGER COMMENT:**

The proposed 2025 State Legislative Session Priorities is in accord with Council's direction for City priorities and policies.
