**Rotary Club Gala and First Citizen Awards (Apr. 11)**

I attended the **Rotary Club of Wilsonville's Heart of Gold Gala and Auction** on April 11<sup>th</sup>. This annual event not only builds community but honors those who have made an impact on Wilsonville over the prior year with the **First Citizen award**. Congratulations to **Scott Nichols** for being this year's First Citizen! Scott has been a huge supporter of youth

sports and Portland based women’s shelter Rose Haven. Thank you for all you do and congratulations again on your well-deserved recognition.

### **Regional Meetings (Multiple dates)**

I attended multiple regional meetings, including the **Washington County Coordinating Committee** on April 13<sup>th</sup> and the **C4 Metro Subcommittee** on April 15<sup>th</sup>. Both meetings included briefings on Metro’s latest projects, including exploring a land bank authority and their future vision project that will inform the eventual update of the 2040 Plan.

#### **LOC Spring Conference (Apr. 22 – 25)**

Later this week, City Manager Jeanna Troha and I will be attending the **League of Oregon Cities’ Spring Conference** in Pendleton. The conference is a way to hear success stories and strategies from other cities in Oregon, learn more about emerging issues, and build coalitions to collaborate on issues that affect cities across the state.

#### **WERK Day (Apr. 25)**

WERK, or Wilsonville Environmental Resource Keepers, Day helps get our parks in tip-top shape before the busy summer season begins. WERK Day 2026 is on **Saturday, April 25<sup>th</sup>** beginning at **8:00 AM at the Community Center** with a **complimentary breakfast** courtesy of the

**Rotary Club of Wilsonville.** Learn more and register to volunteer by visiting “*WilsonvilleParksAndRec [dot] com*” and finding WERK Day under the “*Events*” tab.

### **GPI Meet the Mayors Event (Apr. 30)**

On **April 30<sup>th</sup>**, I will join mayors from across the Portland area at a **Meet the Mayors** event hosted by **Greater Portland, Inc.** GPI is an organization that promotes the Portland metropolitan area as a good place to do business and they provide data and research to support economic development activity in our region. The mayors will sit on a roundtable panel to discuss what economic development tools we need to make Oregon competitive into the future.

### **Light in the Park (May 1)**

Join Wilsonville Parks & Recreation and the Arts, Culture, and Heritage Commission for “**Light in the Park**” on **Friday, May 1 from 7:30-9:30 PM** by the **Murase Plaza Playground**. Foxlight Labs will install a temporary art installation that will light up the night!
