

Monthly Report

Youth Services staff perform their Summer Reading Program promotional skit at Lowrie Primary School.

From the Director

The 2025 Summer Reading Program has started! We invite participants of all ages to "Level Up" with this year's theme which emphasizes puzzles and games.

The program is designed for all age groups, encouraging families, children, teens, and adults to join and benefit from summer reading and activities. There are three ways to play: **Reading Log** (read for 20 minutes a day for 20 days), **STEAM Log** (complete 10 STEAM-related activities), and the **Bingo Card** (includes various reading tasks and library activities).

The Summer Reading Kick-off Event on Saturday, June 14, featured craft stations and engaging activities suitable for all ages, along with cake for all. Aron Steinke, a local author known for the popular Mr. Wolf's Class book series, gave a special presentation about 'leveling up' writing and art skills.

It was paid for by the Friends of the Wilsonville Library and a Wilsonville-Metro Community Enhancement Grant, and made in Portland by Icicle Tricycles. We're excited it's finally here!
