City Council

Subject: Petition for the repair and upgrade of the pedestrian path/sidewalk along French Prairie Road in Charbonneau.

This path, from Miley Road to Country View Lane, approximately 1.2 miles, is used frequently by residents of the Community. It is the main exercise option for the elderly. It is also a recreational means for families and individuals of various age groups for walking their pets. Others use it for jogging.

In various areas, the pathway is in need of repair and upgrade to make it safer for all users. Due to the uneven surface of the path, several elderly residents have fallen and hurt themselves and are now opting to walk on the street which is not safe.

An attempt was made in the past to upgrade the path but was limited to a small section between Country View Lane and Lake Side Drive. This partial upgrade is pleasant, safe and wide enough for two people to walk side by side and easy to maintain.

For petitioners:

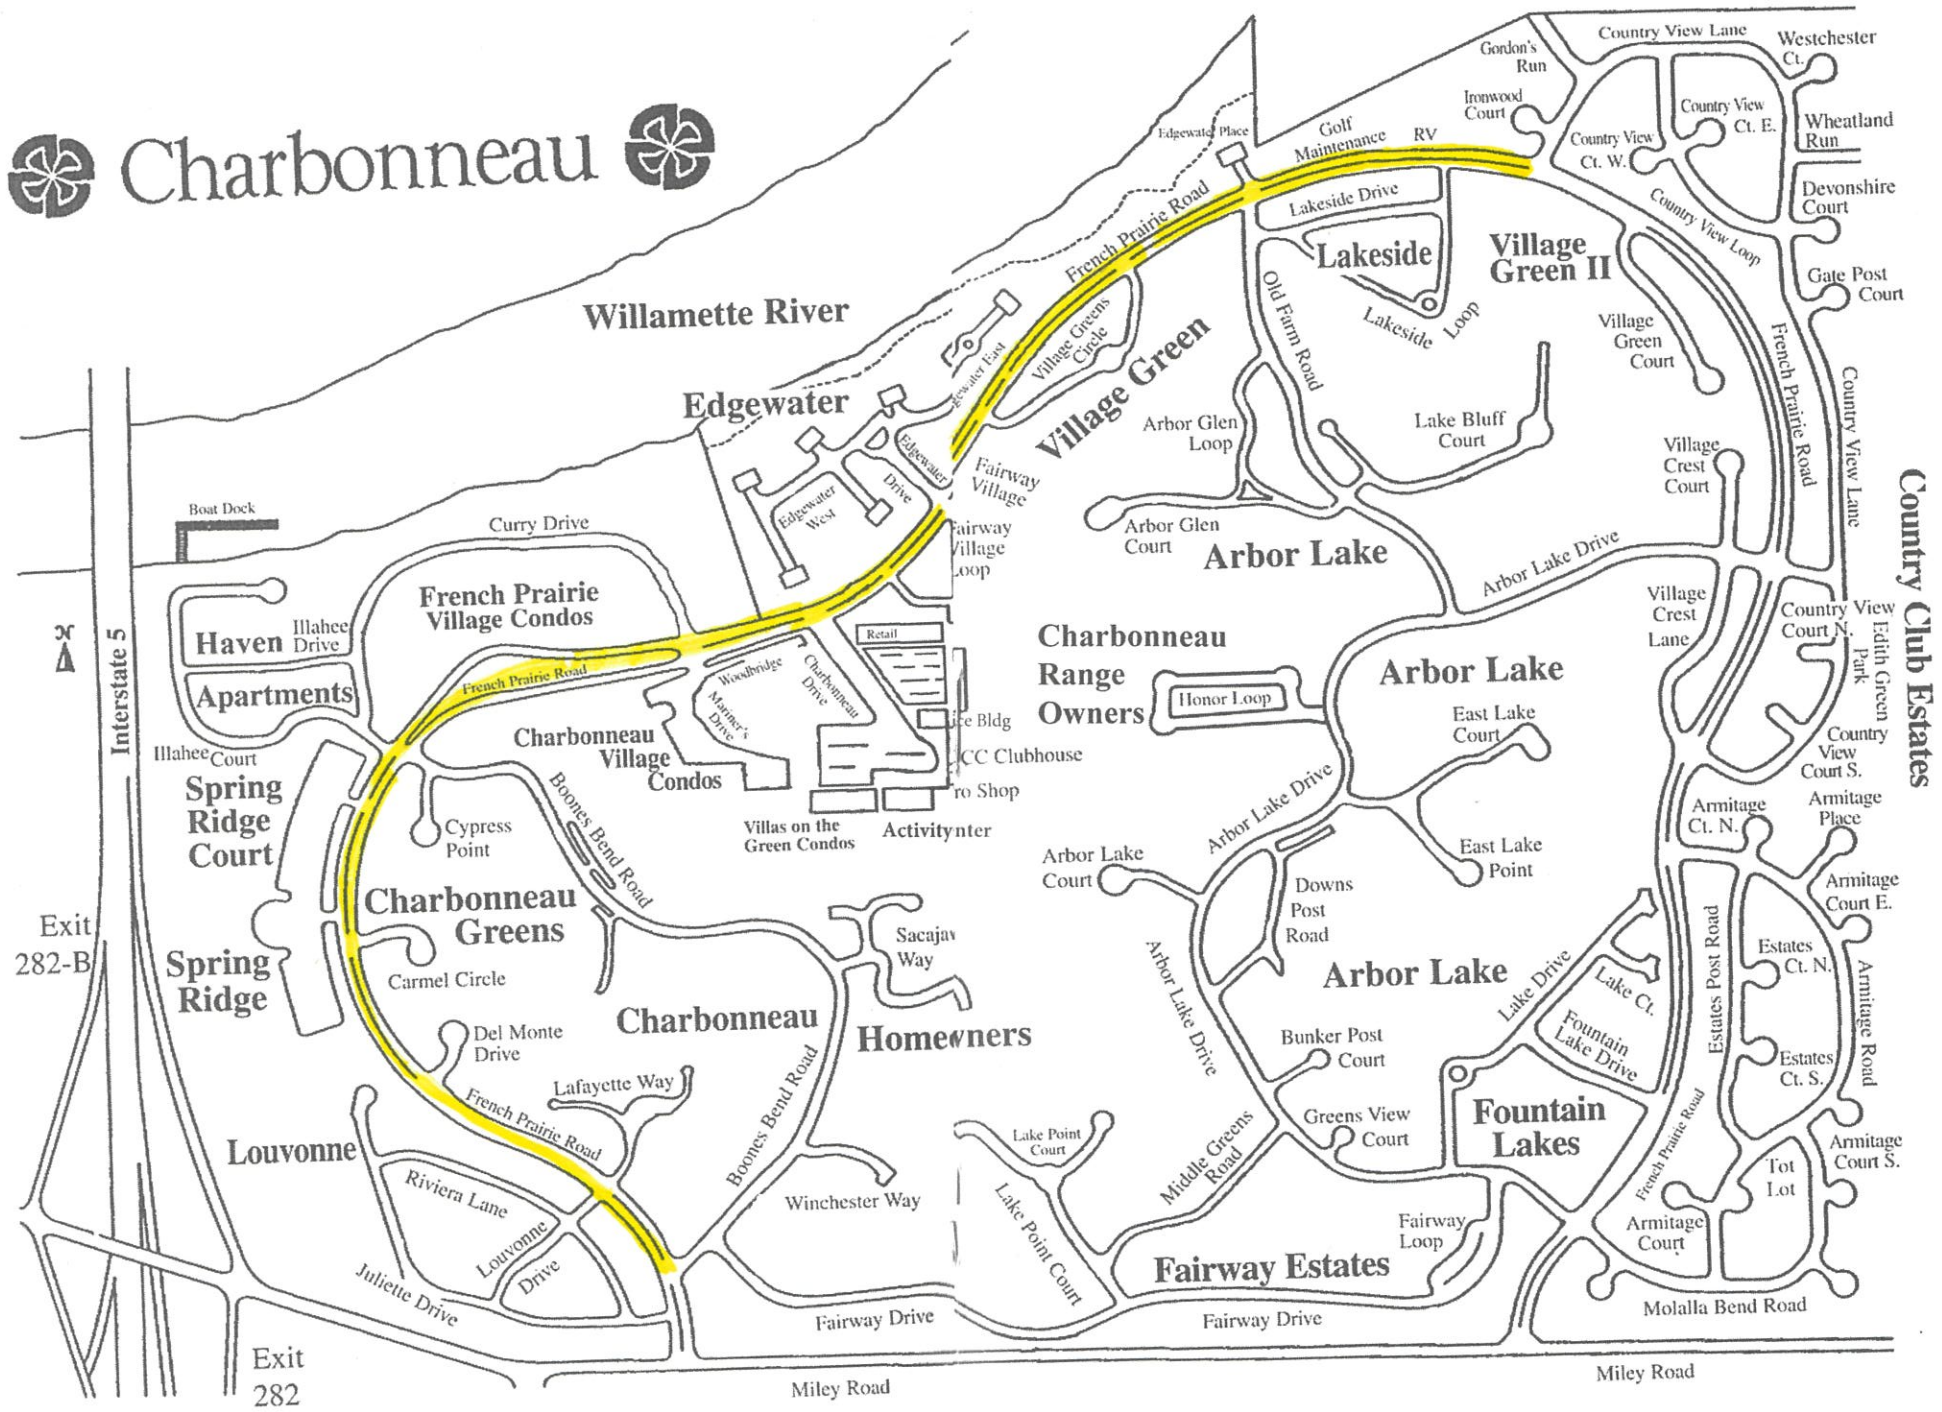

A handwritten signature in black ink, appearing to read 'Nofal Kasrawi', with a large, sweeping flourish at the end.
