Subject: Pride Pin Design Prompt

Recommended Action:

Create a prompt to inspire the design of the 2026 City of Wilsonville Pride Pin.

Recommended Motion:

I move to provide the Pride Pin Prompt as (recommended / modified) to Wilsonville High School students to design the 2026 Pride Pin.

Background and Process:

The Diversity, Equity and Inclusion (DEI) Committee created the City's first Pride Pin in 2024 provide visual representation to uplift, recognize and celebrate the LGBTQIA+ community and celebrate and honor Pride Month. The design was developed by city staff with direct input from the committee. In 2025, the committee directed staff to partner with Wilsonville High School National Art Honor Society. The city received six (6) designs and selected the 2025 pride pin designed by Junior (FY 25-26) Maleeya Rodenbeck.

At the February 10 committee meeting, the committee voted to engage Wilsonville High School to design the 2026 pin. City Staff confirmed with Angenette Escobar, Art Teacher, that WHS students would be able to design a new Pride Pin within the proposed timeline (see Next Steps).

Pride Mural Prompt 2026:

"Designs may incorporate or be inspired by the Progress Pride Flag and its colors, but ultimately artists should use their own creativity when submitting a design that they feel is representative, celebratory and meaningful of the LGBTQIA+ community and Pride Month".

Pride Pin Prompt 2025:

The original art will provide visual representation to uplift, recognize, and celebrate the LGBTQIA+ community. The art will be used on a lapel pin therefore intricate designs may be hard to see. The pin can be 1 inch x 1 inch or 1.5 x 1.5 inch. The image (art) will be printed on the pin. The pin should include the City logo (in signature line below), or "City of Wilsonville", or "Wilsonville, Oregon"
