Acting on behalf of the residents and businesses of the City of Wilsonville and SMART, the City Council adopts this legislative agenda to guide municipal policy positions in the 2021-22 sessions of the 81st Oregon Legislative Assembly.

Wilsonville City Council, January 21, 2021

1. GOVERNANCE

■ Local Autonomy

1.1 The City of Wilsonville supports the home-rule autonomy of local governments and opposes efforts to preempt local-government authority to work on behalf of the city’s residents and businesses. The City seeks opportunities to restore municipal authority where it has previously been pre-empted by state law.

■ State Shared Revenues / Unfunded Mandates

1.2 The City of Wilsonville supports the State Shared Revenue formula and opposes efforts to shift service-costs from the State to local governments, often referred to as “unfunded mandates.” The City opposes efforts to reduce traditional “shared revenues,” which include alcoholic beverage and cigarette taxes and other state shared revenue that pay for essential local services.

2. TRANSPORTATION & TRANSIT INFRASTRUCTURE

■ Transportation

2.1 The City of Wilsonville supports multi-modal transportation options—including roadways, transit services and bike/ped alternatives—for residents, commuting workers and businesses.

2.2 The City of Wilsonville supports strategies and plans that maintain or increase the traffic-handling capacity of I-5 for the timely movement of freight and conduct of commerce, including the stretch of I-5 Boone Bridge crossing the Willamette River.

2.3 The City of Wilsonville supports increased funding by federal and state governments of public transportation infrastructure.

2.4 The City of Wilsonville supports efforts to re-open and maintain the operations of the Willamette Falls Locks and Canal.

■ Transit

2.5 The City of Wilsonville supports increased funding and access to increased transit services that provide residents and commuting workers with an affordable option for personal mobility.

2.6 The City of Wilsonville supports expanded Westside Express Service (WES) commuter rail transit service for full-day and Saturday service and extension of service to Salem.

3. ECONOMIC & COMMUNITY DEVELOPMENT

■ Land Use and Infrastructure Development

3.1 The City of Wilsonville supports sustainable, “smart-growth” concepts that include objectives such as walkable neighborhoods, compact urban development, the conservation of valuable resource lands and the protection of prime agricultural soils outside the urban growth boundary (UGB).

3.2 The City of Wilsonville supports Oregon land-use law that calls for intergovernmental coordination and urban-development activities to occur in cities—areas with municipal governance and supporting infrastructure—and opposes efforts to encourage activities outside of cities that result in urban-level development.

3.3 The City of Wilsonville supports initiatives that reclaim industrial “brownfield” sites in urban settings for productive re-use and that assists cities to develop existing industrial lands. These kinds of initiatives maximize the benefit from existing public resources and reduce the need for urban-growth boundary expansions to accommodate industrial development.

3.4 The City of Wilsonville supports the creation or extension of additional economic-development tools that cities may utilize as they wish, including implementing the Oregon Industrial Site Readiness Program that complies with current state law and making the state “Enterprise Zone” and similar designations available to more cities.

3.5 The City of Wilsonville supports efforts that encourage development of a broad mix of housing types for residents of all income levels. The City specifically advocates for funding of state agencies and local governments to advance affordable housing efforts and related infrastructure.

■ Workforce Development

3.6 The City of Wilsonville supports adequate funding for institutions of higher education in order to provide more comprehensive workforce development opportunities for future and current employees of industrial employers.

3.7 The City of Wilsonville supports efforts to improve the overall quality of K–12 education, and in particular to strengthen Science-Technology-Engineering-Math (STEM) education, as well as post-secondary education that prepare tomorrow’s workforce.

4. ENVIRONMENTAL IMPACT

4.1 The City of Wilsonville supports the protection of the environment and important natural resources for the benefit of human health, quality of life for citizens, recreational opportunities, and wildlife habitat.
