Provides an opportunity for residents to dispose of hazardous waste which could otherwise negatively impacting the environment.

**Brief Project Description and Explanation of how the CEP funds will be used, include project start and end dates:**

Project would be a one-day, 6-hour-long hazardous waste collection event marketed to City of Wilsonville residents. Traditionally, Metro regional government sponsored and operated in each Metro-area city a hazardous waste collection event; however, due to Covid and other operational issues, Metro has not held hazardous waste collection events for the past two years, in 2020 and 2021. Currently, Metro is unclear if 2022 hazardous waste collection events are to be held.

City has received requests from residents for hazardous waste collection service, that otherwise requires residents to drive over 30 miles round-trip to Metro South Transfer station in Oregon City that has recently been closed to the public due to staffing issues and delays in transporting accumulated solid waste.

Hazardous waste products for collection include: paints, solvents, antifreeze, brake fluid, pesticides, herbicides,

fluorescent light bulbs and mercury-containing batteries. However, medical waste products, contaminated gloves, sharps and so forth are Not accepted.

As sponsor of the 2022 hazardous waste collection event, City would:

- Contract with DEQ-licensed hazardous waste collection and disposal firm Clean Harbors, Inc., for turn-key operation of event, including providing City with liability insurance. Estimated costs of \$18,000.
- Provide two Public Works Dept. staff members for 8 hours on a Saturday to assist only with traffic control, including placing as needed traffic cones. Budget amount of \$1000.
- Supply marketing for the event, including mailing a postcard to every Wilsonville resident and notification to select email distribution lists. Marketing material will note that proof of City of Wilsonville residency is required. Budget amount of \$4,000.

**Where would the project be located and who owns the property if applicable?**

Hold event likely in City Hall parking lot, site of prior collection events; or possibly the Wilsonville Transit Center if desired and feasible.

**For a project located on private or other public land (property not owned by the City of Wilsonville), written documentation from the landowner that gives the project sponsor and City permission for the project to occur on the land is required. Indicate here if the project is located on private or other public land (property not owned by the City of Wilsonville) and indicate if written permission from the landowner is to be submitted.**

N/A

**What impact might the project have on nearby homes and businesses?**

Possibly some traffic congestion near City Hall parking lot.

**What kind of on-going maintenance needs and costs might be required by the project?**

None.

**Who will benefit if this project is funded? Estimate how many Wilsonville residents will benefit if this project is funded.**

Wilsonville residents who have hazardous waste products at home that should be disposed of safely.

**How does the project serve diverse or traditionally underserved populations?**

Residents are currently required to drive a 30-plus-mile round-trip to the Metro South Transfer Station in Oregon City for safe disposal of hazardous waste. By having a local collection event, residents will have a mile or two at most to drive.

**Does this project serve a specific cultural or ethnic group in Wilsonville? If so, please specify.**

No, the event is open to all regardless of culture or ethnicity.
