

Public Art Maintenance Doc – Due Aug 7th, 2026

Artwork Name: A Garden of Mind

Location: Library Children's Patio Outside

Date of inspection: 08/01/26

Name of inspector/ACHC member: Vivian Resendiz

1. Overall Condition to look for (Check the boxes if applicable and add any notes)

☒ Artwork looks stable and safe –

☒ No obvious damage or missing parts -

☒ No signs of vandalism or graffiti -

☐ Area around artwork is clean, maintained and accessible -

it can use some general cleaning / weeding

☐ Is there a plaque? If yes, what does it say -

No Plaque

Additional Comments:

Maybe it can use some washing

2. Structural / Safety Check (Look for anything that could make the artwork unsafe)

☐ No loose, cracked, or broken parts –

Not really, just a little barely noticeable crack on the bear, but nothing loose or concerning / And a book chipped off being held by an old man

☒ Base/foundation appears solid – and the wolf tail under the lion

☒ No sharp edges –

☒ No major leaning or movement –

☒ No trip hazards nearby –

Additional Comments:

3. Surface Condition (Check the visible surfaces)

☒ No heavy rust, corrosion, or rot –

☒ Paint/coating is in good condition –

☐ No major stains or discoloration –

Some parts could use a little bit of a fresh coat

☒ No peeling, bubbling, or flaking –

☐ No excessive dirt buildup, moss, etc –

No excessive dirt; does need cleaning

Additional Comments:

4. Environment Around the Artwork

☐ Landscaping is maintained –

Weeds could be trimmed

☒ Drainage looks adequate (no standing water) -

☒ Benches/signage nearby are in good shape –

Additional Comments:

5. Photos

Please take:

- One overall photo
- Photos of any damage or concerns
- Close-up photos if needed (i.e plaque)

Condition Rating
