

Public Art Maintenance Doc – Due Aug 7th, 2026

Artwork Name: Modern Flight

Location: Back of Library

Date of inspection: 08/01/26

Name of inspector/ACHC member: Vivian Resendiz

1. Overall Condition to look for (Check the boxes if applicable and add any notes)

☒ Artwork looks stable and safe –

☒ No obvious damage or missing parts -

☒ No signs of vandalism or graffiti -

☒ Area around artwork is clean, maintained and accessible -

☐ Is there a plaque? If yes, what does it say -

JS 2010

Additional Comments:

2. Structural / Safety Check (Look for anything that could make the artwork unsafe)

☒ No loose, cracked, or broken parts –

☒ Base/foundation appears solid –

☒ No sharp edges –

☒ No major leaning or movement –

☒ No trip hazards nearby –

Additional Comments:

3. Surface Condition (Check the visible surfaces)

☐ No heavy rust, corrosion, or rot –

Rusty (Heavy)

☐ Paint/coating is in good condition –

No (rust)

☐ No major stains or discoloration –

Rust and MOSS

☒ No peeling, bubbling, or flaking –

☐ No excessive dirt buildup, moss, etc –

MOSS on left side and back

Additional Comments:

4. Environment Around the Artwork

☒ Landscaping is maintained –

☒ Drainage looks adequate (no standing water) -

☒ Benches/signage nearby are in good shape –

Additional Comments:

5. Photos

Please take:

- One overall photo
- Photos of any damage or concerns
- Close-up photos if needed (i.e plaque)

Condition Rating

Choose one:

☐ Good — no action needed

☒ Fair — minor maintenance needed

☐ Poor — repair needed soon

☐ Critical — immediate attention required

Follow-Up Needed

☐ None

☒ Cleaning

☐ Graffiti removal

☐ Repair

☐ Safety review

☐ Further professional inspection

Additional Notes:

Somewhat in between fair and poor, no repairs needed
but definitely some coating, rust removing and some
wash / moss removing.
