## Homestay Program

HOST A MIDDLE SCHOOL STUDENT FROM  
OUR SISTER CITY OF KITAKATA, JAPAN

8 DAY HOST FAMILY EXPERIENCE  
OCTOBER 28 - NOVEMBER 5

### *Who is visiting?*

Middle School students from our Sister City of Kitakata, Japan will be visiting Wilsonville from October 28 through November 5. All students speak some English, and may use phone translators to help with communication.

### *What would I be Responsible for?*

The Homestay program requires that host families provide transportation to and from City Hall and/or Parks and Rec Admin building on weekdays. Drop off is typically at 8am, and pick up around 5pm. Host families are not responsible for airport pick up or drop off. Weekends are spent with host families. Some organized meals are provided, but host families need to provide breakfast and dinner, plus a brown bag lunch or two during the week. Students must be provided with their own room with a door that shuts for privacy.
