WHEREAS, pollinators provide significant environmental benefits that are necessary for maintaining healthy, diverse ecosystems in towns and cities; and

WHEREAS, pollination plays a vital role for the trees and plants of our community, enhancing our quality of life, and creating recreational and economic development opportunities; and

WHEREAS, the City manages parks, public landscaping, and other public lands that may include greenways and wildlife habitats; and

WHEREAS, the City provides recommendations to residents and property owners regarding landscaping to promote wise conservation stewardship, including the protection of pollinators and maintenance of their habitats; and

WHEREAS, in August 2017, the City Council adopted a resolution designating Wilsonville a Bee City USA affiliate; and
