Hello, I'm Oliver! I'm a trans student at Riverside Highschool.

In my design I show a plethora of diversity by choosing all different types of flowers that hold great meanings of strong values and features. These themes include beauty, loyalty, and love. They show that not one person in this world is the same, bring all people together, and help people feel more accepted for their beliefs and values no matter who they are or where they came from.

HeARTs of Wilsonville  
Many Cultures, One Heart

Heart Sculpture

52 inches tall X 52 inches wide X 10 inches depth
