9.2. **Bus Testing.** Supplier agrees to comply with the Bus Testing requirements under 49 USC § 5318(e) and the FTA's implementing regulation at 49 CFR Part 665 to ensure that the requisite testing is performed for all new bus models or any bus model with a major change in configuration or components, and that the bus model has achieved a passing score. Upon completion of the testing, Supplier shall obtain a copy of the bus testing report(s) from the operator

of the testing facility and is required to provide a copy of the corresponding full bus testing report and any applicable partial testing report(s) to the City prior to final acceptance of the first vehicle by the City. The complete bus testing reporting requirements are provided in 49 CFR § 665.11.

9.3. **Recovered Materials.** Supplier agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended (42 USC § 6962), and U.S. Environmental Protection Agency, "Comprehensive Procurement Guideline for Products Containing Recovered Materials" (40 CFR Part 247).

9.4. **Buy America.** Supplier agrees to comply with 49 USC § 5323(j) and 49 CFR Part 661, which provide that federal funds may not be obligated unless all steel, iron, and manufactured products used in Federal Transit Administration-funded projects are produced in the United States, unless a waiver has been granted by the FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR § 661.7. Separate requirements for rolling stock are set out at 49 USC § 5323(j)(2)(C) and 49 CFR § 661.11. All steel must originate in the USA and not leave the USA at any point. Supplier shall have submitted the appropriate Buy America certification to the City before commencement of any Work. Supplier must have submitted to the City the appropriate Buy America certification with its Proposal, as proposals that are not accompanied by a completed Buy America certification will be rejected as nonresponsive. See **Exhibit C**.

9.5. **Clean Air and Clean Water.** Supplier agrees to comply with the inspection and other requirements of the Clean Air Act, as amended (42 USC § 7401 *et seq.*), and the Federal Water Pollution Control Act, as amended (33 USC § 1251 *et seq.*). Supplier agrees it will not use any violating facilities, it will report the use of facilities placed on or likely to be placed on the U.S. Environmental Protection Agency (EPA) "List of Violating Facilities," and it will report any violation of use of prohibited facilities to the City. Supplier understands and agrees that the City will, in turn, report each violation, as required, to assure notification to the Federal Transit Administration and the appropriate EPA Regional Office.

9.6. **Pre-Award and Post-Delivery Audit Requirements.** Supplier agrees to comply with 49 USC § 5323(m) and the FTA's implementing regulation at 49 CFR Part 663. Supplier agrees to participate and cooperate in any pre-award or post-delivery audits performed pursuant to 49 CFR Part 663 and related FTA guidance.

9.7. **Access to Records.** The following federal access to records requirements apply to this Contract:

9.7.1. Supplier agrees to retain complete and readily accessible records related in whole or in part to this Contract, including but not limited to documents, reports, data, statistics, subcontracts, sub-agreements, leases, arrangements, other third party agreements of any type, and supporting materials related to those records.

9.7.2. Supplier agrees to comply with the record retention requirements in accordance 2 CFR § 200.333. Supplier will maintain all books, records, accounts, and reports required under this Contract for a period of not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records will be until the City, SMART, the Federal Transit Administration (FTA) Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims, or exceptions related thereto.

9.7.3. Supplier agrees to provide the City, SMART, the FTA Administrator, the Comptroller General of the United States, or any of their duly authorized representatives, sufficient access to any books, documents, papers, and records of Supplier which are related to performance of this Contract for the purposes of making audits, examinations, excerpts, and transcriptions, as reasonably may be required. Supplier also agrees to permit any of the foregoing parties (at their costs) to reproduce by any means whatsoever any excerpts and transcriptions as reasonably needed.

9.8. **Lobbying Restrictions.** Supplier certifies, to the best of its knowledge and belief, that:

9.8.1. No federal appropriated funds have been paid or will be paid, by or on behalf of Supplier, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

9.8.2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, Supplier will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

9.9. **Contract Work Hours and Safety Standards.** For all contracts in excess of \$100,000 that involve the employment of mechanics or laborers, Supplier will comply with the Contract Work Hours and Safety Standards Act (40 USC §§ 3701-3708), as supplemented by the Department of Labor regulations at 29 CFR Part 5. Under 40 USC § 3702 of the Act, Supplier will compute the wages of every mechanic and laborer, including watchmen and guards, on the

basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC § 3704 are applicable to construction work and provide that no laborer or mechanic be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or to contracts for transportation or transmission of intelligence.

9.9.1. Liquidated Damages. In the event of any violation of the requirements of this Section, Supplier will be liable for the unpaid wages. In addition, Supplier and subcontractor will be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the requirements of this Section in the sum of ten dollars (\$10) for each calendar day on which such individual was required to work in excess of the standard workweek of forty (40) hours without payment of the overtime wages required by this Section.

9.9.2. Withholding. The FTA shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in this Section.

9.10. **Civil Rights Requirements.** The following civil rights and equal employment opportunity requirements apply to this Contract, and Supplier shall at all times comply with these requirements:

9.10.1. Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended (42 USC § 2000d), Section 303 of the Age Discrimination Act of 1975, as amended (42 USC § 6102), Section 202 of the Americans with Disabilities Act of 1990, as amended (42 USC § 12132), and federal transit laws at 49 USC § 5332, Supplier agrees that it will not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, age, disability, or national origin. In addition, Supplier agrees to comply with applicable federal implementing regulations and other implementing requirements the FTA may issue.

9.10.2. Race, Color, Religion, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended (42 USC § 2000e *et seq.*), and federal transit laws at 49 USC § 5332, Supplier agrees to comply with all applicable equal employment opportunity requirements of the U.S. Department of Labor regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor" (41 CFR Chapter 60), and Executive Order No. 11246, "Equal Employment Opportunity

in Federal Employment,” September 24, 1965; 42 USC § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 USC § 2000e note. Supplier agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their sex, gender, race, color, creed, religion, marital status, age, disability, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Supplier agrees to comply with any implementing requirements the FTA may issue.

9.10.3. Age. In accordance with the Age Discrimination in Employment Act of 1967, as amended (29 USC §§ 621-634); U.S. Equal Employment Opportunity Commission regulations, “Age Discrimination in Employment Act” (29 CFR Part 1625); the Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq.*); U.S. Department of Health and Human Services implementing regulations, “Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance” (45 CFR Part 90); and federal transit law at 49 USC § 5332, Supplier agrees to refrain from discrimination against present and prospective employees on the basis of age. In addition, Supplier agrees to comply with any implementing requirements the FTA may issue.

9.10.4. Disabilities. In accordance with Section 504 of the Rehabilitation Act of 1973, as amended (29 USC § 794); the Americans with Disabilities Act of 1990, as amended (42 USC § 12101 *et seq.*); the Architectural Barriers Act of 1968, as amended (42 USC § 4151 *et seq.*); and federal transit law at 49 USC § 5332, Supplier agrees that it will not discriminate against individuals on the basis of disability. In addition, Supplier agrees to comply with any implementing requirements the FTA may issue.

9.11. **Disadvantaged Business Enterprises.**

If the City must adopt a Disadvantaged Business Enterprise (DBE) program, the parties will execute a written amendment so that this Contract becomes subject to the City’s DBE program. Supplier shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Supplier shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted contract. Failure by Supplier to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as the City deems appropriate.

9.12. **Program Fraud and False or Fraudulent Statements and Related Acts.**

9.12.1. Supplier acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended (31 USC § 3801 *et seq.*), and U.S. Department of Transportation regulations, “Program Fraud Civil Remedies” (49 CFR Part 31), apply to its actions pertaining to this equipment purchase. Upon execution of this Contract, Supplier certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it

may make, or causes to be made, pertaining to this Contract or the FTA assisted equipment purchase. In addition to other penalties that may be applicable, Supplier further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Supplier to the extent the Federal Government deems appropriate.

9.12.2. Supplier also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with federal assistance originally awarded by the FTA under the authority of 49 USC Chapter 53, the Government reserves the right to impose the penalties of 18 USC § 1001 and 49 USC § 5323(l) on Supplier, to the extent the Federal Government deems appropriate.

9.13. Suspension and Debarment. Supplier will comply with and facilitate compliance with U.S. Department of Transportation regulations, “Nonprocurement Suspension and Debarment” (2 CFR Part 1200), which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) “Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement)” (2 CFR Part 180). Supplier is required to verify that its principals, affiliates, and any subcontracts are eligible to participate in this federally funded Contract and are not presently declared by any federal department or agency to be debarred, suspended, proposed for debarment, voluntarily excluded, disqualified, or declared ineligible from participation in any federally assisted award.

Supplier is required to comply with Subpart C of 2 CFR Part 180, as supplemented by 2 CFR Part 1200, and must include the requirement to comply with Subpart C of 2 CFR Part 180 in any lower tier covered transaction it enters into. By signing and submitting its Proposal, Supplier has certified as follows:

The certification in this clause is a material representation of fact relied upon by the City. If it is later determined that Supplier knowingly rendered an erroneous certification, in addition to remedies available to the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Supplier agrees to comply with the requirements of 2 CFR Part 180, Subpart C, as supplemented by 2 CFR Part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. Supplier further agrees to include a provision requiring such compliance in its lower tier covered transactions.

9.14. Trafficking in Persons.

9.14.1. Supplier agrees that it and its employees that participate in the Project covered under this Contract may not:

9.14.1.1. Withhold monthly progress payments;

9.14.1.2. Engage in forms of trafficking in persons during the period of time that this Contract is in effect;

9.14.1.3. Procure a commercial sex act during the period of time that this Contract is in effect; or

9.14.1.4. Use forced labor in the performance of the Contract or any subcontracts thereunder.

9.14.2. Supplier agrees to comply, and assures the compliance of each subrecipient, with federal requirements and guidance, including:

9.14.2.1. Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended, 22 USC § 7104(g); and

9.14.2.2. The terms of this Section, which have been derived from U.S. OMB regulatory guidance, "Award Term for Trafficking in Persons," 2 CFR Part 175, per U.S. OMB's direction.

9.14.3. Supplier agrees to, and assures that each subrecipient will:

9.14.3.1. Inform the FTA immediately of any information it receives from any source alleging a violation of the prohibitions listed in this clause; and

9.14.3.2. Include the substance of this clause in all agreements or subcontracts with recipients, subrecipients, suppliers, and subcontractors at every tier, including this requirement to flow down the clause.

9.15. Safe Operation of Motor Vehicles. Supplier is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles. Supplier agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies that ban text messaging while using an electronic device supplied by an employer and driving a vehicle the driver owns or rents, a vehicle Supplier owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the Work performed under this Contract.

9.16. Federal Changes. Supplier shall at all times comply with all applicable FTA regulations, policies, procedures, and directives, including without limitation those listed directly or by reference in any Master Agreement between the City and the FTA, as they may be amended or promulgated from time to time during the term of this Contract. Supplier's failure to so comply shall constitute a material breach of this Contract.

9.17. **Violation and Breach of Contract; Termination.** The clauses concerning violation and breach of this Contract and termination of this Contract can be found in **Section 10**, below.

9.18. **No Obligation by the Federal Government.** The City and Supplier acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of this Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the City, Supplier, or any other party (whether or not a party to that contract) pertaining to any matter resulting from this Contract.

9.19. **Federal Transit Administration (FTA) Terms Controlling.** Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Supplier shall not perform any act, fail to perform any act, or refuse to comply with any City requests which would cause the City to be in violation of the FTA terms and conditions.

Section 10. Early Termination; Default

10.1. This Contract may be terminated prior to the expiration of the agreed upon terms:

10.1.1. By mutual written consent of the parties;

10.1.2. By the City, for any reason, and within its sole discretion, effective upon delivery of written notice to Supplier by mail or in person; or

10.1.3. By Supplier, effective upon seven (7) days' prior written notice in the event of substantial failure by the City to perform in accordance with the terms through no fault of Supplier, where such default is not cured within the seven (7) day period by the City. Withholding of disputed payment is not a default by the City.

10.2. If the City terminates this Contract, in whole or in part, due to default or failure of Supplier to perform Services in accordance with the Contract, the City may procure, upon reasonable terms and in a reasonable manner, services similar to those so terminated. In addition to any other remedies the City may have, both at law and in equity, for breach of contract, Supplier shall be liable for all costs and damages incurred by the City as a result of the default by Supplier, including, but not limited to all costs incurred by the City in procuring services from others as needed to complete this Contract. This Contract shall be in full force to the extent not terminated by written notice from the City to Supplier. In the event of a default, the City will provide Supplier with written notice of the default and a period of ten (10) days to cure the default. If Supplier notifies the City that it wishes to cure the default but cannot, in good faith, do so within the ten (10) day cure period provided, then the City may elect, in its sole discretion, to extend the cure period to an agreed upon time period, or the City may elect to terminate this Contract and seek remedies for the default, as provided above.

10.3. If the City terminates this Contract for its own convenience not due to any default by Supplier, payment of Supplier shall be prorated to, and include the day of, termination and shall be in full satisfaction of all claims by Supplier against the City under this Contract.

10.4. Termination under any provision of this section shall not affect any right, obligation, or liability of Supplier or the City that accrued prior to such termination.

Section 11. Liquidated Damages

11.1. The City and Supplier recognize that time is of the essence of this Contract and that the City will suffer financial loss and public detriment if the buses are not delivered on time in accordance with this Contract. Both parties also recognize the delays, expenses, and difficulties involved in proving in a legal proceeding the actual loss suffered by the City if the buses are not delivered on time. Accordingly, instead of requiring any such proof, the City and Supplier agree that as Liquidated Damages for delay (but not as a penalty), Supplier shall pay the City the amount of One Hundred Dollars (\$100) per day for each and every day that expires after the agreed upon delivery date ("Liquidated Damages").

11.2. The parties further agree that this amount of Liquidated Damages is a reasonable forecast of just compensation for the harm caused by any breach and that this harm is one which is impossible or very difficult to estimate. In addition to the Liquidated Damages above, Supplier shall reimburse the City for all costs incurred by the City for inspection and project management services required beyond the time specified for final delivery of the buses. If Supplier fails to reimburse the City directly, the City will deduct the cost from Supplier's final pay request.

11.3. Supplier will not be responsible for Liquidated Damages or be deemed to be in default by reason of delays in performance due to reasons beyond Supplier's reasonable control, including but not limited to strikes, lockouts, severe acts of nature, or actions of unrelated third parties not under Supplier's direction and control that preclude Supplier from performing under the Contract ("Force Majeure"). In the case of the happening of any Force Majeure event, the time for completion of Supplier's performance under the Contract will be extended accordingly and proportionately by the City, in writing. Poor weather conditions, unless extreme, lack of labor, supplies, materials, or the cost of any of the foregoing shall not be deemed a Force Majeure event.

Section 12. Miscellaneous Provisions

12.1. Integration. This Contract, including all exhibits attached hereto, contains the entire and integrated agreement between the parties and supersedes all prior written or oral discussions, representations, or agreements. In case of conflict among these or any other documents, the provisions of this Contract shall control, and the terms most favorable to the City, within the City's sole discretion, will apply.

12.2. Legal Effect and Assignment. This Contract shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, and assigns. This Contract may be enforced by an action at law or in equity.

12.3. Equal Opportunity. No person shall be discriminated against by Supplier in the performance of this Contract on the basis of sex, gender, race, color, creed, religion, marital status, age, disability, sexual orientation, gender identity, or national origin. Any violation of this provision shall be grounds for cancellation, termination, or suspension of the Contract, in whole or in part, by the City.

12.4. No Assignment. Supplier may not delegate the performance of any obligation to a third party unless mutually agreed, in writing.

12.5. Adherence to Law. This Contract shall be subject to, and Supplier shall adhere to, all applicable federal, state, and local laws, including but not limited to laws, rules, regulations, and policies concerning employer and employee relationships, workers compensation, and minimum and prevailing wage requirements. Any certificates, licenses, or permits that Supplier is required by law to obtain or maintain in order to perform the Services described in this Contract shall be obtained and maintained throughout the term of this Contract.

12.6. Governing Law. This Contract shall be construed in accordance with and governed by the laws of the State of Oregon, regardless of any conflicts of laws. All contractual provisions required by ORS Chapters 279A, 279B, 279C, and related Oregon Administrative Rules to be included in public agreements are hereby incorporated by reference and shall become a part of this Contract as if fully set forth herein.

12.7. Jurisdiction. Jurisdiction and venue for any dispute will be in Clackamas County Circuit Court.

12.8. Legal Action/Attorney Fees. If a suit, action, or other proceeding of any nature whatsoever (including any proceeding under the U.S. Bankruptcy Code) is instituted in connection with any controversy arising out of this Contract or to interpret or enforce any rights or obligations hereunder, the prevailing party shall be entitled to recover attorney, paralegal, accountant, and other expert fees and all other fees, costs, and expenses actually incurred and reasonably necessary in connection therewith, as determined by the court or body at trial or on any appeal or review, in addition to all other amounts provided by law. If the City is required to seek legal assistance to enforce any term of this Contract, such fees shall include all of the above fees, whether or not a proceeding is initiated. Payment of all such fees shall also apply to any administrative proceeding, trial, and/or any appeal or petition for review.

12.9. Nonwaiver. Failure by either party at any time to require performance by the other party of any of the provisions of this Contract shall in no way affect the party's rights hereunder to enforce the same, nor shall any waiver by the party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this nonwaiver clause.

12.10. Severability. If any provision of this Contract is found to be void or unenforceable to any extent, it is the intent of the parties that the rest of the Contract shall remain in full force and effect, to the greatest extent allowed by law.

12.11. Modification. This Contract may not be modified except by written instrument executed by Supplier and the City.

12.12. Time of the Essence. Time is expressly made of the essence in the performance of this Contract.

12.13. Calculation of Time. Except where the reference is to business days, all periods of time referred to herein shall include Saturdays, Sundays, and legal holidays in the State of Oregon, except that if the last day of any period falls on any Saturday, Sunday, or legal holiday observed by the City, the period shall be extended to include the next day which is not a Saturday, Sunday, or legal holiday. Where the reference is to business days, periods of time referred to herein shall exclude Saturdays, Sundays, and legal holidays observed by the City. Whenever a time period is set forth in days in this Contract, the first day from which the designated period of time begins to run shall not be included.

12.14. Headings. Any titles of the sections of this Contract are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.
