Thank you to all! (for testimony)

Civics Academy Graduates - Congratulations to the graduates of the latest Wilsonville Civic Academy!

Completing the Academy reflects a genuine commitment to learning how our city works and to becoming more engaged in our community. Throughout the program, you gained firsthand insight into the people, services, and decisions that keep Wilsonville running—from public safety and parks to infrastructure, budgeting, and long-term planning. Thank you for your dedication to civic engagement, and I hope this experience inspires you to stay involved as we work together to keep Wilsonville a wonderful place to live, work, and call home.

Staff Thank You - After many months of working through some exceptionally complex and challenging issues, I want to express my sincere gratitude to the City staff. Your professionalism, expertise, patience, and unwavering commitment to serving our community have been evident every step of the way. Even when faced with difficult decisions, tight timelines, and differing perspectives, you have remained focused on providing thoughtful analysis, clear communication, and outstanding public service. As a City Councilor, I have gained an even greater appreciation for the dedication and hard work that often takes place behind the scenes. Thank you for everything you do to keep Wilsonville a safe, welcoming, and well-managed community. Your efforts make a difference every day, and our city is stronger because of your service.
