EXECUTIVE SUMMARY
<p>A local golf simulator business approached the Liquor Commission at its December 18, 2024, meeting to request an exception to the Village's liquor ordinance that would allow patrons to bring their own alcoholic beverages to their establishment. Following that meeting, the Village Attorney drafted an ordinance reflecting the Commission's discussion. The ordinance was reviewed at the January 8, 2025, Liquor Commission meeting, during which the Commission voted to recommend its approval to the Village Board.</p> <p>The proposed ordinance amends Ordinance No. 97-11 to permit a "Bring Your Own" ("BYO") liquor policy for businesses operating as a public accommodation under specific conditions. Key provisions include:</p> <ul style="list-style-type: none">• BASSET training requirement for at least one on-site staff member whenever alcohol is consumed.• A requirement for liquor liability insurance (dram shop insurance).• An annual license fee.• Prohibition on alcohol storage on the premises. <p>The ordinance also outlines eligibility criteria, operational conditions, and quantity restrictions to ensure responsible alcohol consumption. The Board is now asked to review the proposed ordinance and consider its approval.</p>
