EXECUTIVE SUMMARY

The Village Board approved an ordinance at the December 9, 2024, meeting authorizing the Village of Winnebago to borrow funds from the Public Water Supply Loan Program. This ordinance allows the Village to proceed with securing financing for critical water infrastructure improvements.

Fehr Graham has completed project design, and the submission for final review by the IEPA will occur on Monday, March 3 for consideration under bypass funding. Once the loan is awarded, the Board will be asked to approve construction bids and proceed with the next steps of the loan process.

This project represents a significant investment in the Village's water infrastructure and is a necessary step in ensuring a reliable and sustainable water supply for the community.
