Dear Village President Eubank,

The following is noted by the Illinois Department of Transportation (IDOT) prior to bidding: *Due to the possibility of a bid complaint for your agency’s project, as it relates to the “Apprentice or Training Program Certification,” the Department will not concur with the award of any contract until the eight (8) calendar day following the letting; therefore, the local authority shall not proceed with the award for eight (8) calendar days.*

After full evaluation of the submitted bids, it is our recommendation that the Contract for the 2025 MFT Streets Program be awarded to the lowest responsible bidder, Martin & Company Excavating, for the amount of \$137,526.25, barring any bid protests in the eight (8) calendar days following the bid opening, as allowed by IDOT.
