EXECUTIVE SUMMARY

The Village Board approved an ordinance at the December 9, 2024, meeting authorizing the Village of Winnebago to borrow funds from the Public Water Supply Loan Program. This ordinance allows the Village to proceed with securing financing for critical water infrastructure improvements.

Fehr Graham, as the Village Engineer, is currently in the process of designing the project. Once the design is finalized and the loan is awarded, the Board will be asked to approve the acceptance of construction bids and complete the next steps of the loan process.

This project represents a significant investment in the Village's water infrastructure and is a necessary step in ensuring a reliable and sustainable water supply for the community.
