EXECUTIVE SUMMARY

Approved in the 2024 O/M Budget 51-44-951, Police Budget is the purchase of a new UTV to enhance Village services. Including, walking path maintenance, general grounds maintenance as well as enable the police department to actively patrol with a UTV during special events as well as walking path patrolling. Attached are 3 quotes from Bobcat, Monroe power sports and also Hammertime. The Kubota quote from Bobcat is not truly considered due to minimal speeds and the quotes from Monroe and Hammertime are for a Polaris ranger unit with the more affordable option coming from Monroe powersports.

At the April 15th PW committee meeting the committee reviewed the competing quotes and recommended the purchase of a 2024 Polaris Ranger XP 1000 NS UTV from Monroe Powersports to be used by Public Works and the Police Department.
