EXECUTIVE SUMMARY

The proposed resolution awards a Village video gaming license to Louie's Uptown Corp., which holds a Class G liquor license and has submitted the required Village application, supporting materials, fees, and evidence of State of Illinois video gaming licensure. Video gaming operations began before the required Village license was obtained; following notice of the Village's requirements, the establishment completed its submission, which was reviewed and approved as to legal content by the Village Attorney. The license would coincide with the establishment's current Village liquor license and expire April 30, 2027, subject to renewal upon submission of the appropriate application and fee.
