EXECUTIVE SUMMARY

The proposed resolution approves and ratifies the Village video gaming license issued to Tap on Benton LLC retroactive to April 30, 2026. Tap on Benton LLC holds a Class A liquor license and submitted the required video gaming application, including evidence of State of Illinois licensure. The application was reviewed internally and a Village license was granted on April 30, 2026; however, through administrative oversight, the application was not presented to the Village Board for final approval. This resolution provides that Board approval and ratification retroactively. The license coincides with the establishment's current Village liquor license and expires April 30, 2027, subject to renewal upon submission of the appropriate application and fee.
