

Agenda Item Executive Summary

Item Name A RESOLUTION APPROVING A TASK ORDER FOR
DESIGN ENGINEERING SERVICES FOR THE SWIFT
STREET WATER MAIN RECONSTRUCTION PROJECT Committee or Board Board

BUDGET IMPACT

Amount:	N/A	Budgeted:	N/A
List what fund:	N/A		

EXECUTIVE SUMMARY

The Village Board previously approved a task order for design engineering services related to the Swift Street Water Main Reconstruction Project at its January 21, 2026 meeting. Village staff held a project kickoff meeting with Fehr Graham on February 6, 2026. Design work is currently underway by the Village Engineer. Upon completion of design, construction bids will be advertised and received, after which the Board will be asked to consider bid acceptance and authorization to proceed with construction.

This project will replace aging and outdated transite water main infrastructure along Swift Street, resolve long-standing hydraulic issues, and support the Village's broader effort to improve water system reliability and public health through phased investment in critical utility upgrades.
