### **BACKGROUND:**

When we created the position of EDC Director in 2023, an agreement was approved that established the commitment of the WEDC and the City for the funding of that position. The agreement created a structure where the EDC Director was to be subject to the full authority of the City Manager, not the EDC Board, but over time some confusion has arisen. To clarify this, and to eliminate any future confusion, I've worked with Mr. Russell Thomason, a member of the EDC Board, to amend Section 1.8 of the agreement.
