

AGENDA ITEM COMMENTARY

MEETING NAME:	City Council
MEETING DATE:	March 16, 2026
ITEM TITLE:	Consider and take appropriate action on Resolution 2026-009 approving an Interlocal Agreement for participation in aerial mosquito application.
STAFF INITIATOR:	Randy Criswell, City Manager

BACKGROUND:

Each year a group of cities from our area combine efforts and through an Interlocal Agreement with the City of Plainview we commit a large enough area to secure the services of a company to aerially apply mosquito insecticide. In the past it's only been one application, but it was extremely helpful to control our mosquito population.

The last time we did this, the cost was several thousand dollars and well worth it. Pricing is based on number of acres flown. An Interlocal Agreement with the City of Plainview is attached as an exhibit, as well as Resolution 2026-009.

Cost for this will come from the Animal/Vector Control budget.
