

AGENDA ITEM COMMENTARY

MEETING NAME:	Economic Development Corporation
MEETING DATE:	4-1-2025
ITEM TITLE:	Consider and take appropriate action on budget committee.
STAFF INITIATOR:	Danielle Sweat

BACKGROUND:

The past two years the EDC has used a committee of three board members to put together a budget. President Joel Robinett has historically led that board. If Joel is still willing to head that up, we will need two more members willing to commit to some extra meetings to put together the budget for fiscal year 25/26.
