MEETING NAME:	City Council
MEETING DATE:	September 15, 2025
ITEM TITLE:	Consider and take appropriate action on EDC alternate board member position.
STAFF INITIATOR:	Danielle Sweat-EDC Director

BACKGROUND:

The Wolfforth EDC bylaws allow for two alternate positions on the board. At present, one alternate seat is filled by Tyler Zalmanzig. The other seat is currently vacant.

Ryan Smith, a landowner with multiple tracts in Wolfforth's ETJ and property that will eventually be impacted by Loop 88, has expressed a strong interest in serving. Ryan brings both a personal investment in Wolfforth's growth and enthusiasm for supporting the city's future development.

Ryan recently attended an EDC board meeting, and after discussion, the board voted to recommend him to the City Council for appointment to the open alternate position.
