

February 24, 2026

Mr. Randy Criswell
City Manager, City of Wolfforth
302 Main Street
Wolfforth, TX 79382

**RE: *Alcove Avenue Improvements
City of Wolfforth, Lubbock County, Texas
Recommendation of Award
KH No. 066079913***

Dear Randy,

On February 9, 2026, the City of Wolfforth (City) received four (4) bids for the construction of the Alcove Avenue Improvements project. The project includes the reconstruction of Alcove Avenue from US 62/82 to 66th Street located in Wolfforth, TX.

There were four (4) bidders with the following bids (bid tabulation attached):

BIDDER	Base Bid Total
MH Civil	\$11,128,000.00
West Texas Paving	\$9,370,694.00
Lone Star Dirt & Paving	\$8,296,594.00
LA Fuller and Sons Construction	\$7,330,361.50

A Bid Bond and acknowledgement of the addenda were received from each bidder. LA Fuller and Sons Construction is the lowest bidder; however, LA Fuller and Sons Construction does not provide the most qualified resume, nor references, for similar type projects. Because of this, Kimley-Horn has determined that LA Fuller and Sons Construction is not the most responsible bidder for the City of Wolfforth per paragraph 18.2 of Section 00 21 16, Instruction to Bidders.

The next lowest bidder is Lone Star Dirt & Paving who has a strong track record in concrete construction projects based on conversations with City of Lubbock. Kimley-Horn has concluded that Lone Star's experience for this type of project is more responsible for City of Wolfforth and will be in the best interest of the City per paragraph 18.6 of Section 00 21 16, Instructions to Bidders. It is our recommendation that the City award the construction contract to Lone Star Dirt & Paving in the amount of \$8,296,594.00 for the base bid per paragraph 18.2 of Section 00 21 16, Instructions to Bidders.

We appreciate the opportunity to continue to work with the City on this project. If you have any questions, please do not hesitate to contact me.

Sincerely,

Jesus Saenz, P.E.
Project Manager
