

AGENDA ITEM COMMENTARY

MEETING NAME:	Wolfforth Library Advisory Board
MEETING DATE:	October 08, 2025
ITEM TITLE:	Consider and take appropriate action on changes to library policies,
STAFF INITIATOR:	Kimberly Brantley-Sallee, Library Director

BACKGROUND:

The library is continuing to update policies. After our last meeting, I met with Randy and discussed charging for library cards, as requested. After careful consideration, we have decided that, upon your approval, we would like to add a charge of \$10 for members residing outside of Wolfforth and Lubbock County, with a discounted \$20 fee for families with two or more people residing in the same household. We suggest that this takes effect on January 1 to allow us to update our system and notify our users. Currently, we have removed the collection agency section as I am still working on coordinating this with the company that does collections for the City.

EXHIBITS:

Draft 2 of the Library Circulation Policy

BOARD ACTION/STAFF RECOMMENDATION:

Staff requests approval of the Library Circulation Policy with a start date of January 1, 2026
